THREE ORGANIZATIONS FOR MUSIC STUDENTS

The College Glee Club is now at work, and the Glee Banquet will be held Thursday evening. The program for the first meeting of the club was presented. There are more members this year than ever before. The Glee Club is the only organization which has been in existence for more than one year.

The Drama Club last Friday held its second meeting of the season. Many new members have been added to the club. The group is planning to produce a play in the near future.

The Oratorio Club is also active this year. They have been rehearsing for their upcoming performance in the next few weeks. The club is receiving many new members and is looking forward to a successful season.

GERALDINE FARRAR 
PLEASURES OVER THE JOHNSONIAN

"I am sure this is the first time I have heard of any Johnsonian," said Miss Geraldine Farrar, who addressed the Johnsonian Literary Club last week. "I have always thought of it as a place for the students to have fun and enjoy themselves." Miss Farrar then went on to discuss some of the highlights of her career, including her role in the motion picture industry.

ALUMNII ENTHUSIASTIC

"We are pleased to have you all here," said President Edward Johnson of Johnson College. "It is always a pleasure to have our alumni back on campus." The president then introduced some of the alumni who were present, including several who had served as presidents of the college in the past.

WINTHROP ADMITTED AS AN A-1 COLLEGE

Winthrop College was admitted as an A-1 college by the Southern Association of Colleges and Secondary Schools. This is the highest recognition that an institution can receive from this organization.

President Adams expressed his pleasure at the news, saying, "This is great news for Winthrop College, and I am sure that it will be a source of pride for all of our students, alumni, and friends." He also thanked the Southern Association of Colleges and Secondary Schools for their support and encouragement.

Adams went on to say that Winthrop College would continue to work towards further improvements and excellence in all areas of its operations. "We are committed to providing our students with the best possible education, and we will do everything in our power to achieve this goal," he said.

The new term is a fresh page in the book of our college, expec-

MRS. HARRETT JOHNSON, State Leader of Girl's Clubs of South Carolina,
left Thursday for Chicago, in company of Miss Minnie Williams, who won the trip to Chicago offered by the Mary Garrett Wad. & Co. for the South Carolina girl who made the highest score on the year's work. Miss Minnie did not have all the good things of life, and all those who are following the few steps of this girl, who has won the trip in care-
ful preparation for the work in the club's work, is dedicated to me.
