Music Department Announces Program

The Music Department is pleased to announce its latest program, which will be held at the Cadle Tabernacle on Saturday, December 16, at 5 o'clock. The program will feature a variety of musical selections, including traditional Christmas carols, modern arrangements, and original compositions.

The program will begin with an introduction by Dr. Johnson, the President of the College. Following the introduction, the Johnsonian Choir will perform several songs, including "O Holy Night," "Silent Night," and "Joy to the World." The Johnsonian Symphony Orchestra will also perform a selection from "The Nutcracker," under the direction of Mr. Johnson.

The highlight of the program will be the performance of "Angels We Have Heard on High," a beautiful arrangement of the beloved Christmas carol. The performance will be accompanied by the Johnsonian Wind Ensemble, conducted by Mr. Johnson.

The program will conclude with a special performance by the Johnsonian Gospel Choir, singing "He Has Risen," a powerful and uplifting arrangement of the Easter song. The performance will be followed by a brief audience discussion, moderated by Mr. Johnson.

The program is open to the public and is free of charge. We encourage all members of the campus community to attend and enjoy this wonderful musical event.

THE CHRIST-TIME.

Christmas is pre-eminently the Christ-time. It is a time of thinking and planning and living for others. It is interesting in others which gives the season its significance. Much of world concern is centered about the Christ-time. It is not strange, then, that the Christmas season should bring with it a feeling of oneness and brotherhood. No matter how the high priests of business have sought profit in exploiting the Christmas spirit, and how the commercialism has attached itself to the celebration of Christmas. But the thing that lifts the season is the universal desire to do something for others — to serve the Christ-time.

What marvel that the mercenary keepers of the stalls of commerce have not been able to smother the spirit of the season. It is a moment, we are yonder, across the continent, with friends in a moment, we are yonder, across the continent, with friends in a while, leave there our gifts of love and remembrance. Nor, it may be that the heart reverts to another Christmas and in one's heart, how easy it is to go back in imagination to that first of Christmases to that Other Child! And what a legacy He will provide an added incentive to Winthrop students to excel in scholarship and high qualities of leadership.

The recognition by the Southern Association will prove particularly valuable in this respect, Winthrop having been one of the first of our Freshman days on the campus we have—members, who should unanimously indorse our "A-l" opinion of our Southern Association with so high a standard of members. The recognition of Colleges as an A-l college, we felt pardonable pride in that given by any College or University in the South, and, by extension, the South Carolina in recent years on account of our educational advantages—especially the wonderful facilities offered by Winthrop—South Carolina, our educational institution. Winthrop has been chosen as the collective gift of the season to those who come from a College from the first, so that when we were weighed in the balances, there were few who found us wanting! Our new-old status is a tribute to him and a challenge to us.

WELCOMES THE JOHNSONIAN
Press of South Carolina Gives New Publication Words of Praise. The Johnsonian has received read-
able mention in a number of South
Carolina papers, including the Rock-
hill Times, the Columbia Sun, and the Spartanburg Herald. We also
heard exceptly from the mention we re
ceived in a recent issue of the latter:
"The Johnsonian is the name of the
local paper to be issued in South Carolina—a four-page, all-romantic
weekly reflecting the life and affec-
tions of Winthrop College. In ap-
pearance, the new paper is as attrac-
tive as one of Winthrop’s old titles. The
reading matter is excel-
