A Number of Students

At Winthrop, as well as a large number of the faculty, have bank accounts with this strong national institution. The young ladies at Winthrop would find it most convenient to pay for their downtown purchases or accounts by checks on this bank, and then, too, the check is the best evidence of payment, of a said bill that we know of.

When your parents send you money from home, let us suggest that you deposit it with this bank, even though temporarily, and handle your affairs, while in Rock Hill, in a business-like manner.

We solicit your business with assurances that your account will have every attention and consideration, and will be appreciated.
