GREAT EXPECTATIONS

Great Expectations—become greater realizers when based on sound furniture investment. You cannot expect too much of quality furniture—or too little of makeshift furniture. The cost has everything to give, the other nothing worth giving.

Your Income Tax

It occurred to us that a reproduction of a communication we recently received from the Internal Revenue Department would be of some value to those at Winthrop who may think that they are liable for Federal Income Taxes. The letter reads as follows:

"Receipt is acknowledged of your letter of January 21, in which you ask for information on the following: viz, if it is necessary for a single person, teaching in a State institution and having no other income, to file an income tax return.

"In reply, beg to advise that if the entire income is paid to this party by the State, the same would be exempt and would not be required to file a tax return."
