THE KIND OF MAN THE WINTHROP GIRLS LIKE

Students Express Their Preference Through Ballot Printed In the Johnstonian

Several weeks ago, the Johnstonian staff published the results of a survey conducted by the J. S. C. Department of the Johnstonian. The type of girl the students enjoy most was revealed, and it showed some interesting aspects of interest among the students.

We wish to have the matter brought to a vote also, so that the students may have an opportunity to express preference as to the type of girl most enjoyable. Many beliefs have been established and the ballot results reveal the preferences of the students, showing the preferences of the students.
