Versatile Alice Marble Heads Defense Physical Training Unit

In a story of physical training, one of the high spots on the campus of Winthrop College was the swim meet. Every Saturday night, Alice Marble was the center of attention. She was the leader of the swim team, and she knew how to handle a crowd. She was a natural leader, and her team followed her every move. Alice Marble was a dedicated student, and she knew how to balance her studies with her extracurricular activities. She was a role model for the other girls on the swim team, and she inspired them to work hard and achieve their goals.
