Don't Worry

Just about this time of the year the day before the final exams—"I declare I'm so worried we can't do anything else, until the day before the final is over."

In fact, we are so busy culturing over exams I don't know whether the worries of yesterday are in most extent, or just ask yourselves—how do you worry? This fear becomes abnormal for us to do so in a frantic manner.

As a matter of mental health our proper object of American people is to preserve in a foreign land his language, manners, and art, his own moral and religious principles, and no matter how long he has been here, he should always recognize the good life of his former home, and be a true representative of our country abroad.

USEFULNESS

A bank's usefulness cannot be measured with only its balance sheet as a guide. True, a bank must be strong in order to be useful. But here at the Citizens Bank we try to remember that there are other things quite as important as staggering figures. Such things, for instance, as a sincere willingness to serve, an understanding of folks' needs and an appreciation of the other fellow's viewpoint.

We invite you to start an account here and join the many who are already taking advantage of our service.

ANDERSON CHAPTER BARBES "THE SPIRIT OF THE SOUTH"

The sisterly acknowledgments with appreciation in the following letter from Miss Leena H. Roberts, editor of the Anderson Alumnae Alumnus:

"Miss Markle M. Anderson, S. C.

Dear "Winthrop Alumnae":

I am really proud of this bit o' information concerning the Winthrop chapter of Anderson might be interested in your weekly paper. The chapter at the Anderson county high school held last week the Anderson chapter banquet. The banquet was attended by a number of alumnae present and absent, also a number of chapter members.

The banquet was held in the school auditorium, where the program consisted of all kinds of entertainment, and we really enjoyed ourselves with our walls. The food was delicious, and the cake and sandwiches were wonderful. The Winthrop chapter of Anderson is very much interested in your work and is glad to see such a fine organization on the campus.

We are very happy to have our chapter at Winthrop. We will do our best to make it a success. We are looking forward to the next meeting of the chapter.

Signed: Miss Beatrice Brown, president of Anderson chapter, Winthrop University, S. C."
