TO THE PERSON

If I should be asked to offer a hint, it would be for the better that I would always be
thoughtful, kind, and just.

The spirit was good, to the end of the game,
and your love for each other will always be the same.
So be 'til healthy and honest.

USEFULNESS

A bank's usefulness cannot be measured with only its balance sheet as a guide. True, a bank must be strong in order to be useful. But here at the Citizens Bank we try to remember that there are other things quite as important as staggering figures. Such things, for instance, as a sincere willingness to serve, an understanding of folks' needs and an appreciation of the other fellow's viewpoint.

We invite you to start an account here and join the many who are already taking advantage of our service.

Many Hearts

Will be made glad by Rock Hill Kiwanians when this worthy organization on Monday, December 14, will make its annual pilgrimage to the charitable and penal institutions of York county. "Doing something for others" is one of the principal objectives of Kiwanians everywhere. The Kiwanian home at the county home will be visited first, and next, the happy little tots at the Church Home Orphanage at York, and then those on the little children at the Eocomy Home near King's Creek.

It has been the custom in these annual pilgrimages of the Kiwanians to also visit the York County Chaingang and these unfortunates will not be overlooked this year.

Santa Claus will accompany the Kiwanians on this pilgrimage and of course everybody knows that "Santa" would not visit any of these places without leaving concrete evidence of genuine good wishes.

Can the Old Reliable do something for you? There is nothing that we appreciate more than to be called upon for a service by our patrons and friends.
