Join the student corps. The university to study is compelled to rely on the use of torches. The term to the town in the picture is the student only those who believe into the student body meant and have, therefore, no indication could speak, in former days, on behalf of these. USEFULNESS

A bank's usefulness cannot be measured with only its balance sheet as a guide. True, a bank must be strong in order to be useful. But here at the Citizens Bank we try to remember that there are other things quite as important as staggering figures. Such things, for instance, as a sincere willingness to serve, an understanding of folks' needs and an appreciation of the other fellow's viewpoint.

We invite you to start an account here and join the many who are already taking advantage of our service.
