Sudden Death.

Mrs. Nannie Rodday, aged 30 years, wife of Mr. John F. Rodday, died suddenly Tuesday, May 26, 1908, at 1 o'clock, at her home on the corner near Catholic Presbyterian church. After dinner was over, Mrs. Rodday was sitting reading of her little son when suddenly she fell and expired. Mr. Rodday, who was in the yard, ran in and picked her up, she only breathed twice after he had her in bed. It is probable the rupture of the heart was the cause of her death. The burial was in the grave yard at Old Point, after funeral services conducted by Rev. J. B. Brown.

Mrs. Rodday was a daughter of the late Mr. S. M. and Mrs. Jane Orr Tinkler and was born in the neighborhood of Oria Station. Besides her husband, she is survived by a son 11 years old and an infant daughter six weeks old, also her mother, six brothers, Messrs. John, James and Robert Tinkler, of the Wylie mill, Andy, of Rock Hill, and Dan Tinkler, of Ninety Six, and three sisters, Mrs. W. A. Mayfield, of Columbia, Mrs. Saine Knight, of Lancaster, and Mrs. Lizzie Porter, of the Wylie mill.

Mr. W. S. Brown Has Close Call.

Mr. W. S. Brown, formerly of this city, is late Rock Hill and now living in Lancaster, was found unobscured in his room in a hotel in Columbia last Friday morning, from the D. D. of Spartanburg. The case was posed by what he turned on the gas with suicidal intent, but he denies this, and his explanation appears very reasonable. The hotel has both gas and electric fixtures, and when he tried to turn off the electric light he found two buttons on the wall, neither of which he touched. The odor of the gas escaping through the partly open transom led to his rescue in time to save his life.

Chaper and Just as Good.

Mr. Paul Chisholm, printer of Chester, is now setting type in the Press and Banner office. We needed a linotype or something else of the sort, but owing to the fact that these machines cost so much, Mr. Chisholm took pity on us and came over to help us. A linotype has to have help, but Chisholm needs none. We just throw the copy at him. He does the rest.—Abbeville Press and Banner.

Medal for Bravery.

Mrs. Solomon Alexander, of South Carolina, is visiting her daughter, Mrs. George McCullough, in Villa Heights. While on a recent visit to the Jamestown exposition she exhibited a medal that was awarded her late husband by the United States government for bravery during the Mexican war. One of the Norfolk newspapers contains the following:

"Mrs. Solomon A. Alexander, of South Carolina, who is a visitor to the exposition and to Norfolk, is the possessor of one of the few Mexican war medals in that state, awarded her husband by the United States government for bravery during the Mexican war in the forties. Mr. Alexander died last November, aged 80 years. He was commander of Col. Butler in the South Carolina Infantry Company G, Palmetto Regiment, and the medal bears the names of many battles in which he fought, including Vera Cruz and Chapultepec, while Mr. Alexander is said to have been the first soldier to enter the City of Mexico when it was taken. Here he made a narrow escape with his life, for he was landed safely inside a rifle ball hit the wall he had left. This ball he treasured for many years.

"The medal bearing his name is as bright today as when received 57 years ago. It is about 1.5 inches in diameter and made of silver, the face being a palmetto tree, over which is the American eagle and inscriptions with the name of South Carolina's soldiers—Dickinson, Butler, Chisholm—and on the reverse side the date 1847-1848. The reverse side is equally elaborate in design. Capt. John G. Connar, of Lancaster, and Mr. Alex. Thomas, of Chester county, also possess such tokens recognizing their bravery.

Alexander preserves as carefully a bronze shield awarded to him, which her husband wore for years, this bearing elaborate emblematic designs in stars, a laurel wreath, a ship, a banner, and the date 1847-1848. The general service will be at his late residence in Columbus, according to the rites of the Baptist church, of which he was a member. His last service is a speech of welcome to the Iowa and Wisconsin veterans of the Grand Army of the Republic at their reunion at the National park, Vicksburg. After this he suffered collapse from exertion and heat. Gen. Lee was born in Charleston, S. C. Sept. 22, 1833.

General Lee Dead.

The funeral service will be at his late residence in Columbus, according to the rites of the Baptist church, of which he was a member. His last service is a speech of welcome to the Iowa and Wisconsin veterans of the Grand Army of the Republic at their reunion at the National park, Vicksburg. After this he suffered collapse from exertion and heat. Gen. Lee was born in Charleston, S. C. Sept. 22, 1833.

Mr. Chas. Douglas was carried to Columbia Sunday evening.

The Dispensary Receivership.

Attorney General Lyon returned yesterday from Richmond, where he appeared in behalf of the State of South Carolina in the suit brought for a receivership of the dispensary funds, this being an appeal from the decision of Judge Peters and will probably be some time before the case is decided by the court of appeals and even then it will not be settled as both sides have announced that they would appeal. This, of course, means that the United States supreme court will have to pass upon the case.—The State.

Prohibition in North Carolina.

At the election in North Carolina last Tuesday the question of state-wide prohibition the majority against liquor exceeded the expectations of prohibitionists. It seems to have been something over 44,000. The prohibitionists carried 78 of the 98 counties, including some of the strong-holds of liquor.

Circuit Judges Gage and Price have been commissioned to sit with the supreme court in the case of B. B. Evans, plaintiff respondent, vs. W. M. Mays et al., defendants appellants. Chief Justice Pope is disqualified by his having taken an order in the case and Justice Gary by his being related to Evans.

Better Than Medicine.

Breathe Myome's Tonic Healing and be Cured of Catarrh. Nature has a remedy for catarrh, but treatment by medicine is far better than dosing the stomach with medicine and drugs.

It is the healing oils and balsams of Myome's Tonic which clear the air passages, reaching the most remote air cells in the nose, throat and lungs, killing all catarrhal germs and restoring health to the mucous membrane. The use of Myome's Tonic is the correct internal air bath, and has the same healing and antiseptic effect as the air which you breathe. It will give relief from catarrh. If it does not help you, we will refund a penny's expense, as the Chester Drug Co. agree to refund the money, if it fails to cure. The complete Myome's Tonic costs only \$1.00.

NOT ONLY is High Art Clothing fashioned after smart models, with a subtle style and grace in every line and curve, but it also is characterized by those nobby little conceits which one usually expects to find in high-class, custom-tailored garments only. For instance, among this Spring's models are coats with fancy cuffs, slanted pockets, vents, the long lapel, the concealed shoulder so as to give the broad effect, the creased side seams, the belt straps, and all the late at tailoring fads bespeak smartness and metropolitan perfection of style and cut.

No wonder the man who has the habit of getting the most for his money wears HIGH ART CLOTHING. We Are Exclusive Agents in Chester

THE FORT LAWN MEETING

Proposed Discontinuance of Trains Was Discussed Wednesday Sentiment Strongly Against the Change.

There was a gathering of the clans at Fort Lawn yesterday in response to the call sent out for a conference on the subject of the proposed change of schedule on the L. & C. Rwy., as the result of which one train daily each way will be discontinued. Owing to other engagements only one member of the railroad commission, Maj. J. H. Earle, and the secretary, Mr. T. T. Lumpkin, were present.

Mr. Earle acted as chairman of the meeting, which was held in the school house, and Mr. Lumpkin acted as secretary. All of the testimony on both sides was taken down, and will be submitted to the commission and decision rendered shortly.

Messrs. Leroy Springs, A. P. McClure, and T. Y. Williams appeared in behalf of the railroad and endeavored to show how the present arrangement entails loss on the road.

To refute the arguments of the railroad people and to show how very necessary the continuance of these trains is to the business interests of the territory along the line there were numerous delegations present. Messrs. J. B. Westbrook, J. K. Henry, and J. Y. Murphy were there in behalf of the city of Chester.

The testimony will be reviewed by the railroad commission in a few days and a decision rendered.

Yesterday the commission rendered its decision, refusing the application for permission to change schedule and requiring that the railway company continue to operate one unimixed train each way daily and furnish fast cars for passage twice each way daily.

Smith, H. M. Ross, Jr. Richburg was represented by V. B. Millen, R. B. Anderson, W. B. Gladden, R. H. Ferguson, and T. H. Melton.

All of the business men of Fort Lawn are taking a lively interest in the matter, and all were on the ground working with might and main for the retention of the trains. The large crowds were well entertained, Messrs. W. L. Abernethy and others most interested in the conference making full provision for the accommodation of all visitors.

The testimony will be reviewed by the railroad commission in a few days and a decision rendered.
