TRAIN BREAKS SPEED RECORDS

All Traffic Sidetracked to Rush Medicine in Hope of Saving Pioneer Railroad Builder's Life.

St. Paul, Minnesota, May 28—James J. Hill, critically ill at his residence here, passed a restless, unquiet, factory day. While the pioneer railroad builder's pulse was good, his temperature was high and he suffered considerable pain. Intermittently the patient was unconscious.

Shortly after 1 o'clock this afternoon waiting newspaper men and others were aroused when the Rev. Father Thomas J. Gibbons, vicar general of the St. Paul arch-diocese and pastor of the St. Paul Cathedral, hurried from the cathedral edifice, where he had been saying mass to the Hill mansion. At this time it was reported that Mr. Hill had suffered a slight sinking spell and that members of the family had been called to the sick room. At 4 o'clock it was said Mr. Hill had rallied somewhat.

His pulse was reported better, but a high temperature continued. At 6 o'clock tonight the patient's temperature was reported unimproved. Throughout the day, men of prominence in railroad business and professional circles called at the Hill home. All came away grave, uncommunicative.

One of the physicians in attendance upon Mr. Hill intimated that a certain infrequently used sedative might be of some possible slight benefit to the patient. Other doctors present questioned the possible efficiency of these sedatives and an odd argument against the use stated that no one of it could be obtained at any point nearer than Chicago.

Louis W. Hill, president of the Great Northern Railroad and son of J. J. Hill, chanced to overhear this conversation of the surgeons. He had his secretary telephone a firm of pharmaceutical chemists in Chicago and upon learning that a supply of this sedative could be obtained there, he ordered a special train on the Chicago, Burlington & Quincy Railroad to bring the sedative to St. Paul. It arrived last night having made the trip of 431 miles in eight hours and three minutes, or at an average of 54 miles an hour. The man stated that this shattered all speed records between Chicago and St. Paul.

When the sedative was delivered at the Hill residence the surgeons had decided not to avail themselves of it. All traffic both passenger and freight on the Burlington Railroad between St. Paul and Chicago was sidetracked to give the way to the Hill special.

MUST MAKE SECOND TRIP.

Orangeburg Chief Back From New York Without Prisoner

Orangeburg, May 27.—Chief of Police R. F. Jennings, of this city, returned this morning from New York, where he went to bring Elliott M. Michael, a negro charged with murder, back to this county for trial. On arrival of the chief Michael refused to come without requisition. After these were properly executed it seems that Michael put his case in the hands of a lawyer, who applied to the Supreme Court. The matter to be decided, Chief Jennings returned without his prisoner. However he received a writ this morning to the effect that the county had handed down a decision against the chief. It is expected that the chief will return to New York at once for his prisoner.

FOUR PERISH IN GOLD MINE IN NEVADA.

Virginia City, Nev. May 24.—Four men are known to have perished in a fire burning today in the lower level of the Yellow Jacket gold mine, near here. Two bodies have been recovered. The fire started last night. Company officials said 15 men were asleep.

NEW YORK FOR HUGHES

Reports of Delegation Reported Since New York, May 29.—A majority of the New York delegates to the Republican national convention favor the nomination of Woodrow Wilson, according to a statement given out tonight by Frederick C. Hunter, chairman of the Republican State committee and New York delegate.

YOUNG WOMAN ENDS LIFE WITH POISON

Miss Edith Riddle, Employed in Clifton No. 3 Mill, Takes Overdose of Carbolic Acid Yesterday Without Apparent Reason.

Spartanburg, May 24th.—Miss Edith Riddle, a young woman of 25 years, died yesterday afternoon from the effects of an overdose of carbolic acid, which she drank early yesterday morning, evidently with suicidal intent. No cause could be learned why the young woman should want to end her life, as she was well known and popular with a large circle of friends. Miss Riddle was 18 years of age.

According to evidence brought out at the coroner's inquest yesterday, the young woman obtained a bottle of the deadly poison from which her father had placed it after he had used a small amount on an injured foot, and despite the protests of her neighbors, she drank the entire contents. She neither left a note nor made a statement other than to instruct her little brother Joseph to go to the mill and call her mother to come to the house. The verdict of the coroner's jury was that the young girl came to her death by drinking carbolic acid, administered by her own hand.

AN EXCELLENT ADDRESS

(Written For The News.)

"Wise as serpents and harmless as doves," declared the Rev. Homer McMillen, D. D. of Atlanta, Ga., Sunday morning, at Purity Presbyterian church, referring to the home missionaries. With that illuminating sentence, Dr. McMillen, who is one of the best preachers on home missions in the United States, and holds down that big job for the Southern Presbyterian church, told of the saving of a nest of the home missionary in the United States. At the close of the War the Nations he prophesied that there would come to prosperous shores of the United States the greatest number of immigrants in the history of this nation. How to Christianize these people the majority of whom would not be educated with any evangelical church was one of the master problems facing the home missionary in the near future.

Dr. McMillen told of the present stupendous financial cost of the European conflict, which in one year had sunk forty-six billion dollars. He vividly delineated the cost of great sacrifices being made by some of the people of the warring nations. The speaker sathefully denoted the Mormon Church and told how its insidious efforts to secure converts. Despite the fact that many people think that the Mormon Church is not actively at work, Dr. McMillen declared that it was, with the exception of the Kaiser's army, the best organized of any description on the face of the globe. He admonished his hearers to awaken and help stay the course of this iniquitous religion, a part that practically has made its debut in every county in the United States.

Dr. McMillen gave evidences of infidelity existing in the larger cities of the United States and predicted an ominous retribution for these municipalities which will be not a chastisement but the better. He pronounced Chicago a hot-bed of infidelity stating that in the Windy City there were today 300 societies of infidelity. Sunday night Dr. McMillen returned on "Friendship." He said good friends were the best assets a man could have. The kind of friend that is a brother, a brother, was the type of friend he discussed. His elaboration of the theme made a profound and enduring impression upon all the audience.

A MISSIONARY ADDRESS.

Mr. George Gary Lee, of Blackstock, will make an address at Catholic Presbyterian church on Sunday morning, June 4th. Mr. Gary Lee will speak along missionary lines, which he has never before done, having spent ten years in China and has traveled taken for a around the world three times. This one can should not miss this opportunity to hear Mr. Gary Lee.

CONGRESSMEN GO TO CONVENTIONS

Rivers and Harbors Appropriation Measure to Come Up for Action in Upper House.

Washington, May 28.—The pre-convention exodus of members of congress already has begun, many members of the house and nearly a score of senators having left Washington Saturday and today for preliminary business pertaining to the Republican convention in Chicago next week. Democratic leaders will begin to depart later in the week on political missions connected with the St. Louis convention.

For many days the halls of the capitol have buzzed with political discussion and already administration leaders have encountered difficulty in keeping a quorum in each house. Important legislation which will require attendance of members during the week includes the \$241,000,000 naval appropriation bill in the house and the long fought rivers and harbors appropriation bill in the senate. The house will debate on the naval bill Friday afternoon and recess until before adjournment. It then will go to the senate where the naval affairs committee will take it up late in June. What will be the fate of the \$43,000,000 rivers and harbors bill in the senate still is uncertain but decisive action is expected by Thursday or Friday at the latest. Tomorrow the senate will vote on a motion by instructions that it be reported in the form of a blank appropriation of \$20,000,000 to carry on existing projects. Senators who have persistently fought the bill were doubtful tonight that they could muster enough votes to send the bill back to the committee. The compromise will be made but no one attempts to predict what the result will be.

Another important event of the week will be action on the nomination of Louis D. Brandeis to the supreme court. The vote will be taken Thursday and opposition leaders have conceded that confirmation will require a Senate vote of 67.

Senate leaders hope to dispose of the Philippine bill substituted by the house for the senate independence measure before the convention. Administration leaders are ready to accept the substitute bill and they hope to force a vote on it. As soon as this business is disposed of the leaders of both houses will be ready for the conventions. Agreement already has been reached by the senate to recess for three days at a time beginning next Saturday. In the house plans have been laid to keep going without recess, considering undrafted bills. Among important matters which must await the return of absent members are the fortifications, diplomatic recognition, the sundry civil and pension appropriation bills, already pending and the army appropriation bill carrying General Bunker's bill. It is reported to be formally reported to the house Tuesday.

Tomorrow the senate committee on postoffices and post roads will meet in executive session to consider the case of Fourth Assistant General James I. Blacklee, who charged in a letter to postmasters that members of the railroad in their disposition of the postoffice appropriation bill. Mr. Blacklee and the committee had an exciting word war over the matter yesterday and members of the committee feel that action of some kind should be taken. The committee may decide to call Postmaster General Bunker before it or to let the case drop directly before the president.

RAISE PRICE OF RAIN INSURANCE

AT POLO GROUNDS. New York, May 29.—The European war has had a marked effect on the insurance market. A recently unrelated matter as rain insurance in New York give a mutual festival next Sunday afternoon at the Polo Grounds, the price of a \$100.00 policy increased to \$125.00 in London saying it against loss by rain in that city. The reply was that the normal cost of such a policy was \$5 per cent, but military news it undoubtedly would be far beyond this amount.

A NEW RULING ON THE NARCOTIC LAW.

Applications for License Must be Accompanied by Inventory of Stock on Hand.

Taxpayers under the Harrison Narcotic law, when making application for re-registration and for special tax stamp for the new fiscal year beginning July 1, 1916, must accompany their application with a sworn inventory of all narcotic drugs and preparations in their possession on the day when application is made. This is the interesting announcement made by D. C. Heyward, collector of internal revenue for the district of South Carolina, as the result of recent rulings issued by the commissioner of internal revenue at Washington.

The new ruling requires that all physicians, dentists, druggists, veterinarians, and all others liable under the Harrison Law, must make the inventory in duplicate must be signed under oath, and officials seal and stamped, and both must be dated the same day as the application is dated.

The requirements apply to all persons here who are carrying on application for narcotic law at any time during the year, and the inventory as prescribed must accompany application each year hereafter when required to renew their license and registration. No special form of inventory is prescribed, but it must clearly set forth the name and quantity of each kind of narcotic drug, preparation or remedy, other than those specifically exempt under section 6 of the act as defined in treasury decision 2309.

AMERICAN DOLLAR SECURITIES SOLD ON LONDON MARKET

Increased Quantities Arriving From America, but American Exchange Has Not Responded So Far.

London, May 29.—American dollar securities are arriving in increased quantities at the offices of the committee which is carrying out the plan for mobilization of this property, and smaller amounts are being sold through the stock exchange, in order to escape the additional income tax which will be imposed shortly. American exchange thus far has not responded materially. The rate this morning was 476 7/16. It is expected however that a favorable effect.

Dealers in imposition of the tax indicate that the authorities are supporting the market and are determined not to allow the rate to fall away materially. It is believed that if necessary the committee will have the senate to back the New York and London exchange rates on a satisfactory level.

The government will inaugurate on Friday a plan for the issuance of three-year exchequer bonds which will be easily transferable. These bonds are expected to attract considerable interest and is being paid out for dollar securities.

MEETING OF EXECUTIVE COMMITTEE

A meeting of the Chester County Democratic Executive Committee was held in the Court House on last Saturday. On motion Mr. D. S. Hollis was elected secretary.

The motion was made and carried that a sub-committee, consisting of the chairman and four others, be appointed to arrange campaign dates, fix the assessments of candidates, and that no other meeting would be called until enrollment is completed.

The following were appointed by the chairman to serve with him on the committee: R. L. Douglas, James Hamilton, H. W. Miller and D. S. Hollis.

A petition was offered asking that the office of Road Supervisor of Blackstock township be put in the primary. It will be recalled that a similar petition was presented to the Board of Supervisors and carried that this office be put in the primary.

After securing the precinct names of enrollment committees the chairman received nominations by mail for the first primary in August, 26; Wainboro, August 26.

WASHINGTON EXPECTS MESSAGE

Washington Puzzled Over Reports of Carranza Note Coming Which Has So Far Failed to Materialize.

Washington, May 29.—Manuel Mendez an attaché of Gen. Carranza's foreign office, arrived here today and conferred with Elihu Ayres, the Mexican ambassador, but denied that he brought a note, as had been expected, or that he had any instructions from his chief. He declared he was merely in the United States on a vacation.

Mr. Arredondo and other Mexican officials professed to be puzzled. It has been reported from Mexico City and the border that a special messenger was bringing a new communication from Gen. Carranza. No indication of its contents had been given but it generally has been assumed by American officials that the expected note probably renewed the demand for the withdrawal of American forces and made a protest against the recent punitive expedition led by Col. Sibley and Maj. Langhorne, which has, however, returned to American territory.

At the Mexican embassy it was said that if a note was coming it might be brought by some other messenger. Negotiations are about to be resumed by the state department for the release of a quantity of consular and military stores consigned to the Carranza government but detained in New York. Mr. Arredondo declared today that lacking other instructions, this was the only question he had to lay up with the state department at this time.

Special Agent Rogers, at Mexico City, telegraphed that the note should have reached Washington yesterday. He has been assured that it will not be made public until reported to Secretary Lansing. Mr. Arredondo, however, reiterated that he had no special advice that a note was on its way.

Navy department dispatches report quiet at Tampico. Financial conditions in Mexico City are reported to continue bad.

STATE CAMPAIGN DATES ARRANGED.

Canvass Closes at Wainboro Three Days Before Primary. Columbia Date July 4.

Dates for the county-to-county swing of the State Democratic campaign party were announced yesterday by John Gary Evans, chairman of the committee. The opening day falls to Spartanburg, June 20, and the closing date is at Wainboro, August 26. The primary is on Tuesday, August 29.

Candidates for governor will be required to pay an assessment of \$700 for candidates for congress, \$200 for candidates for railroad commissioner, \$75, and all other State officials, including solicitors, will be assessed \$50. The last day for filing pledges is the state chairman and paying the assessments to the treasurer at Columbia is noon, June 19, the day previous to the opening of the campaign.

On July 4 the meeting is held in Columbia. The complete itinerary follows:

- Spartanburg, June 20; Greenville, June 21; Pickens, June 22; Wallaha, June 23; Anderson, June 24; Greenwood, June 27; Abbeville, June 28; McCormick, June 29; Laurens, June 30; Blakely, July 6; Saluda, July 6; Edgefield, July 7; Aiken, July 8; Barnwell, July 18; Hampton, July 19; Beaufort, July 20; Ridgeland, July 21; Blakely, July 22; Charleston, July 25; St. George, July 26; Bamberg, July 27; S. Matthews, July 29; Sumter, August 1; Manning, August 2; Mopk, August 3; August 3, official announcement. It is understood that W. R. Bradford, of Fort Mill and E. Gettys Nun, of Rock Hill will seek re-election to the legislature. Dr. W. G. White, of York, and E. W. Purnley, of York No. 3, are also being spoken of as probable candidates. It is likely that the new county will name four candidates and proponents four, and that all others will stand aside and see the fur fly. It is going to fly to D. G.

FORD WILL MAKE SECOND EMPTY TRENCHES.

Dorset, May 29.—Henry Ford may return to Europe to renew his efforts to bring about peace among the warring nations, according to a statement tonight by Theodore Delvaux, who is in close touch with Mr. Ford which says Mr. Ford may sail for Stockholm about June 11.

NEW COUNTY FIGURES IN YORK POLITICS

Expected That Project Will Make the Coming York County Campaign the Hottest in Many Years.

York, May 24.—Political prognosticators at York County are predicting that the county campaign this summer will be the hottest in years. While Blessensin and Anti-Blessensin will cut somewhat of a figure, the main issue will be the new county of Catawba—whether you are "for it or agin' it." Sentiment in the eastern section, which includes Rock Hill, York, Clover, Sharon and Hickory Grove, there is considerable opposition to the formation of the new county, the feeling being that it would increase taxes in York County if a portion of the county secedes. On the other hand there are a large number of people who are in favor of the new county, and they argue that Rock Hill has been wanting to be a county seat for years, and for that reason has not been able to get the question of east and west, and that it will be for the best interests of all concerned to let Rock Hill go.

However, that is by way of introduction to the purpose of this article is to tell what the political forecasters say about this summer's campaign. The first indication of the likelihood of the new county being the principal issue was apparent in the County Convention, May 1. The eastern section of the county on that occasion succeeded in electing the Hill man as county chairman while the western section elected the State executive committee man.

It is being talked now that both the Hill man and the State executive committee candidates, and it is here that the rub is coming. It is understood that Anti-Blessensin in York and vicinity are trying to create with the forces in this section and have given the latter to understand that they are perfectly willing to support Blessensin for the Legislature, if the Hill man seems to have a better chance of winning than the Anti-Blessensin. In other words, it is said that they care not who goes to the Legislature so long as the representation of the new county is secured.

But that is a game that both sides are playing. It is said both sides are playing it. The Rock Hill Anti-Blessensin proposition to the Blessensin on the eastern side of the county. All the Hill men who are opposed to the formation of Catawba County. Fort Mill township is a portion of the territory which it is proposed to incorporate into the new county. A large number of Fort Mill citizens favor going into the new county, but on the other hand many do not. Blessensin men are at Rock Hill political leaders on account of certain alleged attacks of the latter at the recent County Convention and for that reason will fight the new county idea tooth and toe. Unless a majority of the citizens of Fort Mill vote to become a portion of Catawba County the scheme will fall flat. Rock Hill leaders are now apparently making a bid to get back into the good graces of the Fort Mill people.

Opponents of Catawba County in this section are aware of the situation between Fort Mill and Rock Hill, and the understanding is that they have been doing good work toward further widening the breach. That is the story over here.

A single man has published an official announcement. It is understood that W. R. Bradford, of Fort Mill and E. Gettys Nun, of Rock Hill will seek re-election to the legislature. Dr. W. G. White, of York, and E. W. Purnley, of York No. 3, are also being spoken of as probable candidates. It is likely that the new county will name four candidates and proponents four, and that all others will stand aside and see the fur fly. It is going to fly to D. G.

SECOND EMPTY TRENCHES.

Dorset, May 29.—Henry Ford may return to Europe to renew his efforts to bring about peace among the warring nations, according to a statement tonight by Theodore Delvaux, who is in close touch with Mr. Ford which says Mr. Ford may sail for Stockholm about June 11.

REPORT ON COTTON-BILL

Washington, May 24.—The House Committee on Agriculture today made a favorable report on Congressman Lever's Cotton standards bill. This bill simplifies the authority hitherto given the Secretary of Agriculture to establish Federal cotton standards and to regulate their use in and for commerce.

Provision is made that any standard of cotton established and promulgated by the Secretary of Agriculture shall not be changed or replaced within a period less than one year from and after the date of promulgation. No change or replacing of any standard of any cotton established and promulgated shall become effective until after one year's public notice.

After a standard has been established and promulgated "No person thereafter shall ship or deliver for shipment in commerce, in contemplation or in pursuance of a sale, offer for sale, or consignment for sale, by grade or other class, any cotton to which such standard is applicable, unless the grade or other class by which it is sold, offered for sale, or consigned for sale be one of the grades or other classes established therefore in the official cotton standards of the United States and such cotton conforms to the standard established for the specified grade or other class; provided, that reasonable variations from the official standards may be permitted under such rules and regulations as the Secretary of Agriculture shall prescribe. No person shall in any contract or agreement of sale of agreement to sell or consignment, either oral or written, involving or in any invoice or bill of lading or other shipping document relating to such shipment or delivery for shipment of any such cotton in commerce, describe or in any way refer to any of such cotton as being of any grade or other class other than one of those established therefor in the official cotton standards of the United States.

"That no person shall ship, or deliver for shipment, in commerce any cotton in contemplation or in pursuance of any sale, offer for sale, or consignment for sale, whether by grade or other class or in any other manner, under any name, description, or designation which is false or misleading in any particular: Provided, that nothing contained herein shall prevent the shipment or delivery for shipment otherwise lawful, of any cotton which is sold, offered for sale, or consigned for sale, on sample type, without reference to grade or other class, under any name, description, or designation which is not false or misleading."

ATTENTION AUTOMOBILE OWNERS AND DRIVERS

Amendment to sec. 127, city ordinances requires all citizens of the city who drive automobiles to obtain a drivers license from the city clerk on June 1st, of each year. The fee is nominal—only 50 cents. This law was enacted, not for the revenue, but to give the city supervision over all city drivers in order to properly place responsibility in cases of accidents. I am hereby going to this expense in notifying all auto drivers of this law. Also to give notice that any person caught driving a car without license after June 30th, will be arrested and fined. The 30 days grace is given in justice to drivers who may be out of the city at this time. All drivers in the city should obtain this license on June 1st, next.

Z. V. DAVIDSON Mayor.

SOUTHERN POWER CO. EXTENDING ITS LINES

Right of Way From Gaffney to Ruthersford, Via Forest City and Caroleen, to Serve Mills With Power.

Gaffney, S. C. May 28.—A representative of the Southern Power Co. has been in Gaffney for several days engaged in securing the right of way through the city for the purpose of bringing its lines into Gaffney. A site for the sub-station has been secured, and the right of way from Gaffney to Ruthersford, N. C. The line will run by way of Forest City, Caroleen and Ruthersford and will furnish the mill at those places with power. The Electric Manufacturing & Power Co., at Gaston Shoals on Broad River has been furnishing power to Gaffney for several years, and so far as is known this service has been satisfactory. The Southern Power Company's plant is located at the Ninety-Nine Islands on the same river, but several miles further from Gaffney. Both plants are located in Cherokee County, and give our people advantages which are enjoyed by few counties in the State.

BE YOU WOULD LONG, DON'T OVEREAT. Over-eating is a detrimental habit and leads to so many disorders that it has been put in the class of "chil-

lenders" as enemies to good health. "While eating," says the North Carolina Board of Health, "should be directed by fundamental rules of good table manners and scientific knowledge of food values and the needs of the body, it is too often a part of untrained and unbridled appetite in which common sense and discretion are not in evidence. Gluttony not only wrecks health and siles untimely graves, but it marks lack of character." There's much truth in the saying that a person's table manners are a good index to his character.

"Over-eating is largely a habit, but a habit, with serious results. It brings on constipation, fills system with poison, and overworks the heart and other bodily functions. It is one of the main causes of the so-called degenerative diseases, as heart trouble, Bright's disease, rheumatism, hardening of the arteries, apoplexy, etc."

When one has over-eaten for many years and he finds it necessary to diet, he overdoes a good thing and eats so little that his general health suffers. Nothing but the study of foods and their use in the body will

train the country as a whole away from unwise eating.

THE CHRISTIAN ENDEAVORS TO MEET IN YORK.

The Christian Endeavors of the district composed of York, Lancaster and Chester counties will hold a convention in York June 16th. This is the announcement made by J. T. Pain, one of the Vice Presidents of the South Carolina Christian Endeavor Union, and superintendent of this district. The convention will hold morning and afternoon sessions in the First Presbyterian church in York, and the details of an instructive program for the occasion are being worked out.

This district has a greater number of Christian Endeavor societies than any other district in the State; and the convention is expected to bring together Endeavors from all the counties, as well as a number of young people from other churches who are interested in learning something about the Christian Endeavor movement with a view to organizing societies in their churches.

"Christian Endeavor is an insti-

tutional movement and societies are found in the churches of all denominations. In the world the Methodists lead with the largest number of societies. In the United States the Presbyterians have the largest number of societies, but the Methodists, Baptists, Congregationalists, and Christians have a large part in the movement, while other denominations are more or less interested. In the South the Presbyterians have the largest number of societies but this denomination is being pushed for its place by the Christian church.

The convention at York is designed to bring together not only Christian Endeavors of the three counties mentioned, but all young people who may desire to unite in this great world-wide movement; and young women of all denominations are invited to attend the convention as the guests of the Endeavors.

Wm. A. Taylor of Columbia, President of the South Carolina Christian Endeavor Union, will attend the York convention and deliver an ad-

dress; and other Endeavor leaders of the State will make addresses.

Try the Connelly Mineral Springs Resort

The only Mineral Springs directly on the railroad in Western North Carolina. Modern hotel, comfortable rooms, baths, electric lights and call bells. Superior mineral water. No fog or mosquitoes. Resident physician. Low rates for the Summer Season.

May, June, September and October, \$6 to \$9 per week; July and August, \$7 to \$8 per week. Lower rates by the month and to parties and families coming together. Write for folder and information to

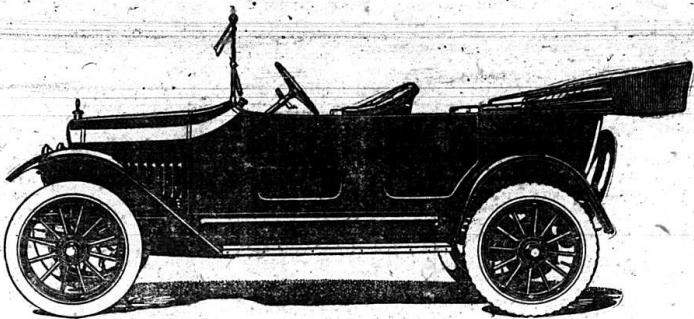

Wm. JEFF DAVIS, Owner and President, CONNELLY SPRINGS, N. C.

No. Six-Sixty-Six

This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not grip at all.

WATCH REPAIRING.
THOSE HAVING WATCHES, CLOCKS OR JEWELRY NEEDING REPAIRING WILL FIND ME AT COWAN DRUG CO. OPPOSITE POST OFFICE. ALL WORK GUARANTEED.

WATCH REPAIRING.
FOR SALE—Or will trade for good touring car of property of Chalmers, 30, Roadster in first class condition. M. J. Ehrlich.

What Do You Know About The Maxwell Car?

THIS is the time of the year when more people are considering the question of "what car to buy" than at any other time of the year.

This community has its full share of people who will soon be driving their first car or a new car to replace the old one.

Now, we know that we are going to sell Maxwell Cars to a great many of these people—depending upon how many we are able to acquaint with the merits of the Maxwell.

The generous value offered for the car is so evident—it's past record is so full of good performance—owners speak so well of it—that when the buyer knows these things, he is eager to buy a Maxwell.

In order to tell as many people as possible about the merits of the Maxwell Car we are going to spend a lot of money in the next few weeks in this paper advertising Maxwell merits to those who do not know them.

The reason—we want to sell as many Maxwells as possible this season. Our future allotments will depend upon how many Maxwells we sell now.

You may know that the Maxwell market is a buyer's market, not a seller's market—broadly speaking. The demand for Maxwells the country over is greater than the supply.

For this reason cars are allotted to dealers by the factory according to the size of the dealer's business.

We want to make a showing and be in a position to get a generous allotment of Maxwells hereafter. Because the more Maxwells are sold in any community, the greater is the future demand. We realize the opportunity to do an ever-increasing Maxwell business.

This is only the first of the several messages we are going to print—a few days apart—concerning the Maxwell Car. But we don't expect to be able to adequately present Maxwell merits in printed words alone.

If you are one who is going to buy a new car you will find it decidedly to your advantage to find out all you can about the Maxwell before you place your order.

Come in and talk it over with us and let us demonstrate the car to you. Then, don't take our word alone, but ask those who now own Maxwells.

Get "posted" about the Maxwell and you will realize more satisfaction and get more "value received" for your motor car money than ever before.

And we are just as willing to have you investigate other cars just as fully as you do ours. The Maxwell will not suffer by the comparison.

Why not start your Maxwell investigation today?

TUESDAY, MAY 30.

A SLIGHT CHANGE.

Bro. Pegram of the Chester News is saving coupons to get a shirt for the press meeting in Yorkville, and curiosity compels us to wonder if "Peg" has changed the brand of his "smokes" since he used to "chunk type in The Times office—Fort Mill Times.

Yes, pal, we no longer indulge in "smokes" from a sack of "Dukes (Mystery)" but must admit that we have not yet become financially able to jink arms with the "Segar pullers."

By the way we have enough coupons to get that shirt and then some. Have about decided to exchange the surplus for "Old Glory Shroets" and when we invade York we propose to smoke out that town, that is if Ed DeCamp brings that jug of nerverine.

CANT BE DONE.

We have long wanted to tell the people of this State how newspaper men are down-trodden and oppressed, and we reckon we might as well run for lieutenant governor and take an hour at each campaign meeting to explain it.—York News.

Wonder where Editor Bell expects his campaign expenses to come from?

SAYS COOPER WILL WIN

Governor Manning carries the state almost every day now in his race for re-election as governor. He got off at Spartanburg Saturday on his way to Charlotte and carried it again. He had the whole thing sewed up in the democratic convention in Columbia, according to the newspapers which are supporting him. Or to express it according to the newspapers which are "controlling" the convention. "Very well. We are glad, too, that the convention was kind to Messrs. Clinkscales, Fullock and Jennings. When the people talk, who cannot be controlled, Cooper will be the governor of the state, and the other boys of 1914 will have something pleasant to think about.

As strange as it may seem, the Manning people admit that Cooper had about one hundred friends in the convention. They voted to elect the Manning men to the national convention, and along with them they voted for Manning. The Blease element even voted for Manning but did you fear of Manning showing any disposition to send a Cooper man or Blease man to the national convention. Not much, they don't do things that way. They believe in taking the whole hog. They "control." But the people will not be controlled! All the office holders in the state, and all the machine politicians in the state will not stop the people of the state in their march to seize the reins of the government again.—Abbeville Press & Banner.

THE HIGH COST OF LIVING.

The high cost of living is a subject of perennial interest. To the various expectations and theories concerning it, Dr. W. O. Scroggs, of Louisiana State University, contributes the following explanation: "Some of the reasons that have prices are: the exhaustion of our natural resources, excessive profits of middlemen, cold storage trade, been advanced for this increase in union activities, high freight rates, the tariff, the trusts, the increase of population, the movement of people from the country to the cities, speculation, extravagance, and rising standards of living. The causes thus alleged may explain the rise of prices in a few isolated cases, but they do not suffice to explain the general advance in prices in all parts of the world. England, for example

has no protective tariff, and yet for several years has been complaining of the high cost of living. The Germans are not noted for extravagance, and yet they too have felt the pinch of high prices. The Chinese have no trusts in their country, and yet they have also been complaining about high prices. The real cause of this world-wide phenomenon is the enormous demand, since 1913, in the output of gold. The leading countries of the world use gold as their standard money, and as gold becomes more plentiful it naturally must become cheaper. Where we say that money becomes cheaper we mean that it loses some of its purchasing power; that a dollar will buy less than it formerly did. This is only another way of saying that prices are rising.

OCCUPATION FOR THE CHILD.

The all year school idea is having a successful experiment in Newark, N. J. where it has been tried out for about two years. Mr. W. S. Doffenbaugh, who is specialist in city school administration of the bureau of education, has been making a study of results, and finds that "street loafing is largely prevented and health is conserved by eliminating the long summer vacation." He "sounded" the children on how they liked the idea of going to school through the summer, and sums up their reasons in the statements that the school rooms were much cooler than the streets and their rooms at home; that they were glad to have something to do besides running in the streets, and that they hoped to gain a grade or two by the time they were old enough for their work certificates. The view of the parents was that if there were no summer school they did not know where their children were. They would leave home early in the morning and run all over the city. "Nor we know they are safe in the school house, and in no danger of being run over by automobiles or street cars." As to the matter of how much time the children actually saved through the all-year schools, it was found that of 271 pupils in the sixth, seventh and eighth grades, 25 made no gain, 67 showed a gain of two-thirds of a year and 53 a gain of one and one-third years. The results in health is regarded as an important feature of the all-year school. The medical inspectors report that the health of the children has not been impaired in the least. The schools have regular medical and nurse service, and the health of the children in school is better cared for than is that of the children out of school. Both the physician and nurse say that the children who have been out of school during July and August come back in poorer physical condition than those who have attended these two months and that even the children who have been away to a summer resort are in no better physical condition than those who have been in school, since their recreation is likely to have been of a dissipating nature.

It is to be borne in mind that this Newark all-year school is for the benefit of children who do not have the opportunity enjoyed by the school children of the south, who are privileged to go into the country and lead a normal life, where they have all Nature for a playground. The application is to the importance of keeping the child out of idleness and out of mischief. The Newark idea is suggestive of the fact that the country is waking to the duty of caring for the unemployed child and the subject is worthy of consideration in connection with conditions that would develop in certain parts of the south should the proposed Keating child labor bill become a law. The educational care of the children, already a bothersome problem in the north, would become a still greater one.

Will you kindly mention in your valuable journal that I have fully decided to hold the old timers field-day's convention about June 20th, date to be published later and ask all my old fiddler comrades to give me their names so I can make out a list for publication. This convention will be the 8th wonder and those taking part or coming to hear us will surely never regret it. It's going to be the howling success of the year. Please mention that its strictly for the benefit of the associated charities.

TO HAVE FIDDLER'S CONVENTION.

The News is in receipt of the following notice from Mr. C. H. Brenneke, in regard to a Fiddler's Convention to be held in Chester at an early date.

Not confined to Chester county alone, Fairfield, York and Union came in too.

Mrs. M. C. Stone of Halesville, is visiting Mrs. M. A. Nall on York street.

NOTE OF APPRECIATION.

The members of the Domestic Science Clubs wish to express their gratitude and appreciation to the doctors, dentist and nurse of Chester for the kind and generous service given by them in the interest of the Better Babies Contest.

The cheerfulness of the Court House officials in caring for the court house on this occasion is very much appreciated, also the kindness extended by many of Chester's merchants in furnishing articles used at the Contest.

Credit is due Mrs. Lizzie D. Melton for the interesting drill given by the school children for the entertainment of those present.

The success of the Contest is due largely to the generous space given to it by the news papers of Chester.

Mrs. L. T. Nichols,
Mrs. C. C. Edwards,
Mrs. T. S. Leiner,
Mrs. L. B. Malone,
Mrs. L. E. Brown,
Executive Committee.

SOLICITOR HENRY TO ACT

In Cases Resulting From Shooting in Committee Room.

Solicitor J. K. Henry of York will prosecute all cases for the State that arise out of the homicide which occurred in the city Democratic executive committee room October 15, 1915, when Mr. Sidney J. Cohen, a reporter for the Charleston Evening Post, was killed. He was the solicitor at the last term of the Court of General Sessions, when indictments against thirteen persons were asked by the grand jury after an investigation into the shooting. Since the last term of Court, William H. Grimball, Esq. has been appointed solicitor by Governor Manning. Mr. Grimball will represent the State in all other cases.—News & Courier.

The pleasure of your presence is requested. Reception immediately after the ceremony at the home on West End.

NOTICE OF ELECTION.

Whereas there has been lodged with the County Board of Education a petition signed by more than one-third of the resident electors and by a like proportion of the resident freeholders over twenty-one years of age of Wilksburg school district No. 14, asking that an election be held under Section 1742, of the general school law of South Carolina for the purpose of repealing the special annual tax of two mills (2) now being levied for school purposes in said district.

It is, therefore, ordered that said election be held at Wilksburg school house Wednesday, June 14, 1916, from 7 A. M. to 4 P. M., by the trustees of school district, No. 14 as managers.

At which election only such electors as return real or personal property for taxation, and who exhibit their tax receipts and registration certificates as required in general elections, shall be allowed to vote.

Each elector favoring the proposed repeal shall cast a ballot containing the word "Yes," printed or written thereon, and each elector opposed to said repeal shall cast a ballot containing the word "No," printed or written thereon.

By order of the County Board of Education. W. D. KNOX, Clerk County Board of Education, Chester, S. C. June, 30, 1916.

Emery No man takes any risk in buying Emery Shirts. Fit, color and wear are guaranteed. A new shirt for one that falls \$1 to \$5.

JO YARBOROUGH, County Home Demonstration Agent

HEARING HELD HERE YESTERDAY

Yesterday before W. W. Lewis, Esq., as referee, the case as to the control of the Lancaster News, a newspaper published at Lancaster, was held in the Court House in Chester.

On the one side, as to control, is Leroy Springs, Ira B. Jones and Chas. D. Jones. On the other side are W. T. Gregory, A. J. Gregory, R. E. Wylie and Luther Ellison.

The Spring-Jones interest was represented by Attorneys Williams and Williams, of Lancaster, and F. B. Grier, of Greenwood. The Wylie-Gregory-Ellison interests were represented by Attorneys B. L. Abney, of Columbia, and Claude N. Sapp, of Lancaster.

Mr. Luther Ellison, up until a short while ago was secretary of the Lancaster Chamber of Commerce, but seeing the Springs faction, it is stated was against him, handed in his resignation, which was accepted. After this he entertained a proposition as to the editorship and manager of the Lancaster News and bought up 20 shares in this paper. At a meeting about April 7th, the matter of electing directors for the publishing company was brought up and it appears one side favored the election of five directors as had previously been done. The other side favored seven directors and this is where the misunderstanding began. By an accumulative vote the Spring-Jones side carried their point. After a heated argument Messrs Leroy Springs, Ira B. Jones and Chas. D. Jones left the office, leaving Messrs W. T. Gregory, A. J. Gregory, R. E. Wylie and Luther Ellison, who proceeded to have another meeting and elected themselves and the three who left, as members of the board of directors of the publishing company, with Mr. Luther Ellison as editor and manager of the Lancaster News.

The following is a list of stockholders and their shares, as given last yesterday: R. E. Wylie, 20 shares; W. T. Gregory, 10 shares; A. J. Gregory, 7 shares; Luther Ellison, 20 shares; Mrs. G. P. Heath, 2 shares; J. W. S. Laney, 2 shares; M. Hubbs, 1 share; Ira B. Jones, 17 shares; Leroy Springs, 10 shares; Elliott W. Springs, 1 share; D. Jones, 5 shares; J. H. Witherspoon, 5 shares.

The following were among the attendees at the hearing yesterday: R. E. Wylie, Luther Ellison, W. F. Gregory, Sr., W. T. Gregory, Jr., C. N. Sapp, B. L. Abney, Ira B. Jones, T. Y. Williams, C. D. Jones, A. J. Gregory, Leroy Springs, J. H. Witherspoon, W. H. Mitten, W. P. Bennett, F. B. Grier, W. W. Lewis, W. P. Robinson.

You sweet girl graduate! Only one girl could win such a smile. Is some dear one—father, mother, uncle, big brother, sweetheart—darning this surprise for you? WAITE IS SATISFIED WITH JURY'S VERDICT

Convicted Man Wishes No Appeal Made in His Behalf—No Longer Indifferent.

New York, May 28.—A declaration that he wishes no appeal in his behalf was contained in a statement issued from his cell in the Tombs today by Dr. Arthur Warren Waite, convicted Saturday of the murder of his father-in-law, John E. Peck of Grand Rapids.

"I am satisfied with the verdict," he said, "and don't want any appeal made by Walter R. Duwel (Waite's chief counsel) or any one else. I am willing to take the punishment for my ill deeds and the quicker that punishment comes the better."

Waite today lost much of the mask of indifference he has maintained since his removal to prison. He slept fitfully last night and appeared nervous when he arose.

He was one of the throng that heard the Rev. J. Callahan preach a sermon on "The Two Thieves" at the service conducted in the prison. In the afternoon Waite spent several hours reading the Bible.

BANKERS REORGANIZE DISTRICT MEETINGS

Rock Hill, May 27.—C. L. Cobb and Ira B. Dunlap attended a meeting of the bankers here yesterday, at which time it was decided to reorganize the groups, making a separate group of each congressional district. Rock Hill, which has been in Group Three, will now be in Group Five as will Lancaster, which has been in Group Six, while Spartanburg is in the group composing that congressional district.

Messrs. Dunlap and Cobb state that they were royally entertained in Lancaster while the entertainment in Chester on Thursday was equally as fine. The citizens of both cities did their utmost to give the visitors a good time and they succeeded.

GEORGIA GOVERNOR GRANTS REQUISITION

Atlanta, May 28.—Gov. Harris has granted the request of the governor of South Carolina for the extradition from Augusta, Ga., of a man alleged to be Anthony Carter, who in 1891 it is charged, killed James Long, a prominent planter of the piedmont country. South Carolina Attorney General G. L. Garrison, W. D. Irwin and R. L. Chambers of Augusta who represented to the governor that the man alleged to be Carter is not Carter, but William Henry Chandler, a native of Sumter county, will take habeas corpus proceedings in Augusta. There has been offered a reward of \$100 for the capture of Carter. The alleged Chandler was arrested in Augusta by Henry M. Kersey, one time a game warden in South Carolina.

DEPUTY KILLS FORMER GIRARD LIQUOR DEALER

Columbus, Ga., May 26.—H. Cogbill, formerly a liquor dealer of Girard, Ala., was shot five times at a quarrel here today with Johnson Owens, of Pittsburg, Ala., a deputy employed in the recent liquor raids in Girard. Cogbill is in a hospital here tonight and Owens is held without bond on a charge of assault with intent to murder.

Owens had come here for dinner from Girard which is just across the Chattahoochee river, and was sitting in front of the hotel talking to Capt. Dallas Smith, commander of the two companies of Alabama national guards on duty at Girard, when Cogbill came by and engaged in a quarrel over the liquor raids. Cogbill left it, it was said, but later returned, and, according to Captain Smith and others, struck Owens with a pair of brass knuckles. Captain Smith and others struck Cogbill and the two men clinched with him and shot him.

There were no more liquor raids in Girard today.

NOTICE OF REGISTRATION

Notice is hereby given that the books of registration for the special municipal election, duly ordered by the Mayor and council of the city of Chester, will be opened at the city hall building, in the police court room, from the hours of 9 A. M. until 4 P. M., beginning Monday May 22nd, and will remain open, except Sundays, until Wednesday, May 31st, 1916.

All persons desiring to vote in the special municipal election duly ordered for Monday, June 6th, 1916, for the election of one alderman from Ward 1 to fill the vacancy from Ward 1 to fill the vacancy Westford, S. C., will have to secure a registration certificate; Provided, that all voters who registered for the regular municipal election held the 2nd day of May, 1916, are not required to re-register.

H. H. SHANNON, Supervisor of Registration. Chester, S. C., May 15, 1916.

GREEK COMMANDER ORDERED TO LEAVE

Given Twenty-four Hours in Which to Evacuate Rupef. Needed by Bulgarians.

LONDON, May 28.—A Renter's dispatch from Saloniki says: "On Thursday the Greek commander at Rupef fort received a Bulgarian demand that he evacuate within 24 hours, as the place was essential for Bulgarian defense and would be occupied by the Bulgarians in accordance with the 'general policy of neutrality as interpreted at Athens.'"

"It was known that the Bulgarians had already strongly fortified the Kresna pass, which bars the Struma valley two miles further north. But the seizure of Rupef seems to indicate that defense of what really is the most direct route to Sofia. This is the first actual Bulgarian invasion of Greek territory and the Greek newspapers express intense indignation.

"The Greek commander at Rupef has already strongly fortified the Kresna pass, which bars the Struma valley two miles further north. But the seizure of Rupef seems to indicate that defense of what really is the most direct route to Sofia. This is the first actual Bulgarian invasion of Greek territory and the Greek newspapers express intense indignation.

WINTHROP SUMMER SCHOOL

Wide Field of Selection Afforded in Study and Recitation.

It is believed that Winthrop Summer School will have a record breaking attendance. Applications for rooms are coming in daily.

Winthrop is doing all in her power to make this coming summer season the best in her history. The entire resources of the large plant will be placed at the disposal of the summer school students. Many of the leading educators of the United States such as Prof. McMurray and Thorndike of Columbia University, Commissioner Kendall of New Jersey and many others will be heard. The courses of study have been especially selected to meet the increasing demand of our state and the south land in general.

An important and interesting feature of this summer school will be in the department of home demonstration work, a course designed especially for canning club and other clubs in this state. President Johnson is offering this summer a short course which includes the various phases of home economics, also cultural and art courses. This course is planned for the heads of homes who feel the need of acquiring scientific knowledge, of keeping abreast with the works of the college, of gaining help and inspiration by becoming a student once more. This plan of President Johnson's was heartily approved by the Federation of Women's Clubs.

Other new features such as the large gymnasium with its unequalled equipment and the large swimming pool will be at the disposal of the summer students.

NOTICE OF APPLICATION FOR FINAL DISCHARGE

I hereby give notice that on the 10th of May I will make first and final return as Administrator of the Estate of G. E. Davis, deceased and will on same day at 12 o'clock noon go to Hon. A. W. Wise, Judge of the Court for Chester County, S. C., for letters of dismissory.

W. W. DAVIS, Adm. Chester, S. C. April 28, 1916. 4t.

Get the Range of Smoking Satisfaction

A "Bull" Durham cigarette has all the vim, vigor and dash of Uncle Sam's fighting men. That's why the American Army is an army of "Bull" Durham smokers. For a virile, lively, manly smoke, "roll your own" with "Bull" Durham.

GENUINE "BULL" DURHAM SMOKING TOBACCO

"Bull" Durham is the mildest of all cigarette tobaccos. Its unique aroma and distinctive mellow-sweet flavor is duplicated by no other tobacco.

It has been the great American smoke for three generations.

Learn to "roll your own" with "Bull" Durham—you can do it with a little practice—and learn new smoke enjoyment.

THE AMERICAN TOBACCO COMPANY, Incorporated.

NOTICE

Notice is hereby given that an election will be held at the City Hall in the city of Chester, S. C. on Monday, June, 6th 1916, to elect an Alderman from Ward 1 to succeed J. B. Westbrook, resigned. For this election the polls will be open at 8 o'clock A. M. and close at 4 o'clock P. M., and at such election qualified electors having city registration certificates issued during this year, 1916, will have the right to vote.

Messrs E. P. Calhoun, A. M. McCallum, and R. G. Mills have been appointed managers of said election.

JAMES HAMILTON, Clerk & Treasurer. Chester, S. C., May 23, 1916. 2t.

THE PROGRESSIVE FARMER

AND SOUTHERN FARM GAZETTE
A PRACTICAL AND INTERESTING PAPER FOR THE FARMER
PUBLISHED WEEKLY
SATURDAY, JANUARY 29, 1916. \$1 a Year in Advance

FIFTY HENS FOR EVERY SOUTHERN FARM

The Progressive Farmer and Southern Farm Gazette are now offering to give away fifty hens to every Southern farmer who subscribes to either of these papers for one year in advance. The hens are of the best breeds and are guaranteed to lay well. The offer is open to all Southern farmers who have not previously received a set of hens. The Progressive Farmer and Southern Farm Gazette are the only papers in the South that offer this valuable prize. The offer is open to all Southern farmers who have not previously received a set of hens. The Progressive Farmer and Southern Farm Gazette are the only papers in the South that offer this valuable prize.

STEERING GEARS

Your car's steering gear is a vital part—it depends your life and the safety of your car. If your steering gear has too much play, it is too loose or too tight—if the tie rod connections are worn—if the steering knuckles are loose—the car should be placed in our hands to remedy these faults, and the sooner the better. Our mechanics know how to repair these important parts—they ARE competent and expert—and our charges are not unreasonable. Auto repairing of ALL kinds done RIGHT here.

SPECIAL-SPECIAL-SPECIAL

You can get the Semi-Weekly News and the Progressive Farmer, both for one year for \$1.50. This offer applies to re-newsals as well as new subscribers.

SEMI-WEEKLY NEWS, \$1.50

Summer School

WINTHROP COLLEGE, ROCK HILL, S. C.

NOTED EDUCATORS—Some of the most noted educators of the United States will give a series of lectures. Professors McMurray and Thorndike of Columbia University, Commissioner Kendall of New Jersey, an ex-President of the National Education Association, Editor of the Journal of Education, President of the Story-Tellers' League, General Secretary of the Religious Education Association, and many others will be invited to meet the needs of (1) Superintendents and Principals, (2) High School Teachers, (3) Primary and Grade Teachers, (4) Rural School Teachers, and (5) Those wishing college credits.

FACULTY—A large faculty has been secured, composed of specialists and leaders of education in this and other states.

SPECIAL FEATURES—Model School, Rural School Problems, Kindergarten, Office, and lectures on the Montessori Methods. County boards of education are authorized to renew certificates still in force for all teachers who do satisfactory work in this Summer School and take the final examinations.

Lectures, Entertainments, Out-of-Door Plays, Musical Companies, Educational Moving Pictures, Personally Conducted Excursions, Large new Gymnasium, Regatta, and other amusements. Large Athletic Field and Playground thoroughly equipped.

Accommodations unexcelled. For rates and further information write for Summer School Bulletin.

D. B. JOHNSON, President, ROCK HILL, S. C.

\$2.50 FOR \$1.50

WE HAVE MADE SPECIAL ARRANGEMENTS WITH THE PROGRESSIVE FARMER, THE LEADING FARM PAPER OF THE SOUTH, WHEREBY WE CAN OFFER THE SEMI-WEEKLY NEWS AND THE ABOVE-MENTIONED PAPER FOR ONE YEAR AT \$1.50.

*You Can Make
\$500.00 More A Year Farming*

The Yankee farmer makes \$500 more a year than we do. We are as smart as he is and must learn to make this extra \$500, too. :: ::

THE PROGRESSIVE FARMER

Will carry every week for the next six months notable articles by Prof. W. F. Massey, "the Grand Old Man of Southern Agriculture," on

"\$500 More a Year for the Southern Farmer: - How to Get It"

HERE ARE SOME OF THE SUBJECTS PROF. MASSEY WILL DISCUSS, EACH ARTICLE TELLING HOW TO DO THAT JOB:

1. We Must Inquire Why We Make Less Than the Northern or Western Farmer.
2. We Must Make Our Own Lands Richer.
3. We Must Diversify So As to Make the South Feed Itself.
4. We Must Use More Horse Power and Machinery.
5. We Must Learn Fertilizer Values and Buy Fertilizers More Wisely.
6. We Must Improve Our Methods of Cultivation.
7. We Must Make Deeper Corn Yields.
8. We Must Make Cheaper Pork and More of It.
9. We Must Have More Hens and Fewer Gallies.
10. We Must Have All-the-year-round Gardens.
11. We Must Learn Principles of Plowing and Moisture Control.
12. We Must Make Our Own Hay and Sows to Sell.
13. We Must Put the Stubble Lands to Work.
14. We Must Learn Better Methods of Laying by Crows.

15. We Must Keep Learning as Long as We Live.
16. We Must Raise Abundant Winter Foods—Potatoes, Fruit, Peas, Beans, Turnips, Etc.
17. We Must Make Boys and Girls Partners in Farm Work.
18. We Must Learn Greater Economics in Farm and Home Management.
19. We Must Learn Better Business in Buying, Selling, and Raising Accounts.
20. We Must Give More Attention to Pastures and Meadows.
21. We Must Grow More Winter Cover Crops.
22. We Must Drain Our Lands Better.
23. We Must Grow More Wheat, Oats, and Rye.
24. We Must Study Plant Breeding and Seed Selection.
25. We Must Farm So as to Keep Laid Teams and Hacks Busy Twelve Months a Year.
26. We Must Adopt Wiser Methods of Renting Land.

And Prof. Massey's page is only one of fifty features that have made The Progressive Farmer famous as "The Farm Paper with the Punch."

It suits every member of the family—not only giving the farmer himself the best help, but also providing the best farm woman's page in America and a superb Young People's page.

Order The Progressive Farmer now and make your start toward "\$500 More a Year"

(The importance of raising more livestock will be discussed in a later series of articles by Dr. Tait Butler.)

John Walker

These parts do an immense amount of work in propelling your car—they transmit the engine's power to the rear axle—consequently they wear and need expert attention at least every year to take up the wear and replace worn and weak parts.

If your car seems to "gather itself together" before it moves instead of starting as a unit you should have us overhaul these parts now—something is worn and loose and is sure to break at the wrong moment. Let us overhaul your car this month—and have it in good shape for the new season.

High grade mechanics and reasonable charges.

The Semi-Weekly News

WATCH CHILD'S COUGH

Colds, running of nose, continued irritation of the mucous membrane if neglected may mean Catarrh of the throat. Don't take the chance—do something for your child! Children will not take every medicine but they will take Dr. King's New Discovery and without holding or tending. It is a sweet pleasant Tea Syrup and so

effective. Just laxative enough to eliminate the waste poisons. Almost the first dose helps. Always prepared, no mixing or fussing. Just ask your druggist for Dr. King's New Discovery. It will safeguard your child against serious ailments resulting from colds.

No. 666

This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken three or four times the fever will not return. It acts on the liver, breaks down the malarial and fever germs, and
