**New System Gives 6 Cuts A Semester**

*Students May Have One Semester Off Each Class and Assembly*

A cut system permitting students to choose from each class, and from one assembly and each small group has been adopted for 1942-43 at Winthrop. The new system is designed to distribute more evenly among all classes the cuts a student might take.

This new class attendance rule eliminates the understanding and weekly restrictions. It emphasizes the idea that the student is free to make his own choice of class periods for the week and month. The system is designed to provide a more flexible schedule and more freedom of choice to the student.

Martha Ann and Mary Ann, wandering around the streets of Charleston at the unearthly hour of ten on the night of Tuesday, August 24, 1943, were the victims of a power blackout. As the rain poured down in gusts and the wind howled through the trees, the two girls were forced to seek shelter in a nearby building.

**Swimming Group Promises Its Members A Lively Year**

The swimming club promises a big season for all members, if plans made at a meeting held Wednesday evening in the gymnasium are carried to fulfillment.

At this meet Mary Murray was elected president of the club and Frances B. Ayres, in making plans for the initiation of the club, was elected as chairman in charge of the social activities of the group. The exact time and place has not yet been decided upon.

**Toyota For Wedneday**

Christmas Alice Bailey reports that all girls interested in becoming members of the swimming club will not be able to realize their wishes, if plans are not made for the initiation for the coming season. In addition, Mary Murray is the chairman of the club and the fun.

The swimming club members, in planning the year’s work, decided to initiate several activities which have not been held in the past. In the usual one-shot swim meets on Saturday and Wednesday afternoons, it was agreed to have one or two swim meets a week for the club meeting on Wednesday afternoons. Here it is hoped that all girls will have an opportunity to participate in the fun.

The try-outs for both Wednesday and Friday will be held the 1st of October.
