Freshman "Queens" Take Turn At Defense Stamp Table

Winthrop May Dance On Campus

Present Plans Call For Halloween Specials; November Comes Following Poll

Growing out of the poll taken by a sub-committee of the student body, Winthrop students will have dances on the campus, it was announced this week by Miss Maureen M. Moore, president of the Student Government Association. The campus came following the votes cast in support of the innovation.

The ball_plan calls for informal dances in the gymnasium on Saturday, October 3, and on Saturday nights from 7:30 to 9:30 on October 10, 17 and November 7. Admission records.

All students will be held in co-operation with the Army and Marine Corps. The dates will be announced in the near future.

Army Cadets Finish Basic Training

Trained To 30 Hours of Classwork Under Direction of Winthrop

Winthrop's first class of Army Air Corps Enlisted Men cadets will finish their training soon, it was announced.

They will return from their tour on October 20.

The cadets have a 35-hour week of training. Under the direction of Capt. C. C. S. Smith, director of the Air Corps training service at the Rock Hill Army Air Corps base, they will complete their training.

The list includes 39 students, all of whom are expected to pass the examination given by the base. They will receive their diplomas on October 20.

Any Winthrop student or faculty member who wishes to convert his war stamps to war bonds may do so today and tomorrow at any Winthrop office.

What's more, if you convert yours, a
dress, if you return your war stamps to the office, the office will return an equal amount of stamps in the form of war bonds. All proceeds from the sale of war bonds will be used to purchase war equipment for the Army and Navy.

Mrs. Mathews Leaves Business Office Oct. 1; Has Been With Winthrop Since Graduating

In BERNICE SHELBY

Mrs. L. D. Mathews, for many years a member of the business staff, will have leaves her position as of October 1.

She has been employed in the business office since her graduation from Winthrop College in 1925.

Prior to her employment at Winthrop, she worked for two years in the office of the Bank of Commerce in Spartanburg. She then went to the office of the Bank of Commerce in Sylva, North Carolina, where she worked for three years.

Mrs. Mathews is the daughter of Mr. and Mrs. E. F. Mathews, who reside at 1923 West Main Street, Spartanburg, South Carolina.

We Also Serve Who...

We who sit around doing "nothing," who "waste" half our time, who "waste" our time in investigating if we have here, as we do as big a job as anybody, is a good sedentary work. Life is full of work which no one else is working, fighting, or "wasting" our time. The world out there is full of work for us to do, if we are willing to go out and do it. And the world is waiting for us to do it. But the work is not done, if there is not a chance for us to do it.

In war work you can't just lie down on the job and expect to win. You must find a better way to do it if you are going to win. And if you do win, it is no job at all. You can't win without doing it. You can't do it unless you are willing to do it.

In a sense we have two large responsibilities—first, the responsibility of looking after our own interests, and second, the responsibility of looking after the interests of others. And in both cases, the responsibility is the same. The responsibility is to do the best we can, no matter what the cost.

We'll Be Staying

At least four factors will keep Winthrop girls on this campus this year. Now we will have our own baseball and women's teams. The girls will have a chance to compete with the men. The campus looks like it is going to be crowded.

The new out system is prominent on campus. There are fewer and fewer students at Winthrop over the years. The number of students has decreased. The number of classes has decreased. The number of buildings has decreased. The number of facilities has decreased. The number of opportunities has decreased.

On Being As Old As We Are

In a sense our manners determine whether we are as old as we are. The students in a college for young women, or whether we still are in a prep school.

Perhaps "common courtesy" is a lot of good that means little. The courtesy expected of us are those that are the least likely to be seen. The courtesy expected of us are those that are the least likely to be expected.

One of the things we can expect of our students is to be on time. We can expect them to be on time for their classes. We can expect them to be on time for their appointments. We can expect them to be on time for their dates.

Being on time means that we expect our students to be on time. We expect them to be on time for their classes. We expect them to be on time for their appointments. We expect them to be on time for their dates.

Campus’ TRENDS ON THE CAMPUS—If we may look back on the world of today, we may see that the world of tomorrow will be different. It will be a world of peace and prosperity. It will be a world of education and enlightenment. It will be a world of science and technology. It will be a world of beauty and harmony.

The world of tomorrow will be a world of peace and prosperity. It will be a world of education and enlightenment. It will be a world of science and technology. It will be a world of beauty and harmony.

The world of tomorrow will be a world of peace and prosperity. It will be a world of education and enlightenment. It will be a world of science and technology. It will be a world of beauty and harmony.

The world of tomorrow will be a world of peace and prosperity. It will be a world of education and enlightenment. It will be a world of science and technology. It will be a world of beauty and harmony.

A Column of Light Comment on Books, Music, Art and Things

The War Takes Off

It is odd how completely a thing can take place as you think to do it, as it seems so easy to do, even as important a thing as a war. It seems as if it were something that you must do, as if it were going to happen, as if it were going to happen.

This thing is a time to be serious; we certainly must be serious, doing our duty, etc. Yes, this is a time to be serious; we certainly must be serious, doing our duty, etc.

Last week there appeared at the picture of the World War. It is a picture of the World War. It is a picture of the World War. It is a picture of the World War.

The pictures of actual happenings have been so vivid and realistic that one has felt as if his own country had been in the war itself. The pictures of actual happenings have been so vivid and realistic that one has felt as if his own country had been in the war itself. Winthrop's New Dormitory Will Be Ready at Early Date

By MARY KAY MARTIN

Winthrop girls were particularly interested in the new dormitory in which they were to live the past summer, and when they went this past summer, you "knew" that they were happy! They dressed up and played the usual game of "don't sit next to," following the majority of our wonderful Winthrop girls' maneuvers and campus and church concerts, as is the custom of the girls in the midst of their share of vacation.

Perhaps the most unexpected adventures were those of Frances Martin. The Floydsville girl, a senior at Winthrop, spent the summer in the state of Arkansas. Remember last spring when everyone talked up its oil, especially if it is oilisable? Frances was one of a group of some 100 young people who made up this "oil group." She said she had no idea what she was doing or where she was going. With girls and boys from Frisco, Texas, Dallas, Fort Worth, Arkansas, and most of all at "Frisco," she worked on an oil field all summer. At 6:45 am, and working till 3:45 pm in the afternoon. She is well satisfied to publicly permit you to use her picture in the "Texas" paper.

Another whose summer adventure merited a second look was Nancy Herbert, junior from Charleston, S.C. She worked in her brother's place while he trained for the Air Force. Later, Nancy gave up the jointing of potatoes in order to deliver 400 quarts of milk daily to the homes of Farmersville for a dollar a week. The girls were overseers and middle深圳, and the animals were those of Thomas, the little "bachelor colored boy."

New York appointed a number of girls from Home Economics according to the most recent report. This summer they were working in the state as a farmerette. Remember the time the then new burser at the College remarked that he had received "no mail" for her. She spoke of her brothers, both graduates of Winthrop, and her three sisters, all graduates of the University of South Carolina.

Among Winthrop's New Faculty... Others To Come

Training School Briefs

By MARTHA ANNAND

Following a stage of campaigning and "stump speaking," elec-
tions were held with the following results: the sophomore clas-sic, Herbert Groat, was elected; freshman classics, Helen Peden and treasurer, Ruth MacMillan, were elected; junior classics, George McElroy and treasurer, G. M. Lanier were elected; and the senior classics, Charles F. Scudder, were elected. The 10th graders chose as their officers: President, Charles Grigg; Secretary, Thomas Rector; Treasurer, Curtis Taylor; and Business Manager, William A. Smith. The 11th graders chose as their officers: President, John McGill; Secretary, David Spellman; Treasurer, Charles R. Brown; Business Manager, George W. Trumbull.

SCHOOL EVENTS

A one-hour a week general course in Christian religion has been opened to students in the 6th and 7th grades. A similar course will be opened to the 8th grade. The course is designed to aid in the development of character and to prepare the students for the Bible, is offered as a full credit course and credit will be given to those who complete the course under the guidance of Dr. Walton and Miss Elizabeth Rea, the instructor. The course also brings the Bible to the Rock Hill high school.

P-TA MEETS

The first meeting of the year was held at Winthrop Training School. Miss Mabel Jones, the new P-TA president, presided and introduced the officers. A nominating committee was formed to select a council of representatives, which will then be appointed by the principal to serve as the P-TA council. A new program of physical fitness, including the sports of track, tennis, and basketball, is being carried out. A physical education director will be appointed to supervise the work. A girls' glee club is being organized, and the band is being reorganized. The program for the new school year is to be presented by the P-TA committee.

FOOTBALL SCHEDULE

In the first district clash of the season, Winthrop Training School will meet Kershaw high school Saturday night. The game will be played on the training school grounds.

Student body, with permission from the proper college officials, will elect their own class officer.

SPEECH CLASSES

In cooperation with the Dramatic Club, two special speech classes will be offered in the Winthrop high school. The classes, which will be offered on the Winthrop Training School campus, will be taught by Charles F. Scudder, the director of the speech department at the Winthrop Training School. The purpose of the classes is to provide students with an opportunity to develop their speaking skills. The classes will be held in various public and private locations.

APPEARANCE PROGRAM

Planned for the fall term, under the direction of Mrs. Charles Workman, the Winthrop Training School assembly program will be offered to all students. The program will include a variety of speakers and performers from various walks of life.

The new students, who were chosen from a large group of applicants, will be installed in the canteen for freshmen and "What we as a club can do for them," the program will be presented.

The annual Faculty Stunt Gala Event will take place on Tuesday night, October 18th. The event will feature a variety of performances by the Winthrop faculty. The purpose of the event is to provide an opportunity for the faculty to showcase their talent and to enjoy each other's company.

The event will be held in the gymnasium at Winthrop Training School. Refreshments will be served at the event, and admission will be free to the public. The event will begin at 7:00 PM and will conclude at 9:00 PM. The event is open to the public, and all are welcome to attend.

For more information, please contact the Winthrop Training School office at (803) 555-1234.
Tall, Queenly Nancy Laye Reigns Lovely of Freshmen

By SARAH W. KEEL

With Bat Hop and Beta Sigma Delta affairs occupying her week-end and another week-end in advance, Miss Laye thought enough of autumn and the football season to be a frequent visitor to the football games. The next week, you'll be pulling your foot locker bags for the U. S. Army game scheduled for October 3 at Charlotte.

Sarah Suggs Chose Second In Annual Beauty Contest

By SARAH W. KEEL

A tall, poised, curly-haired brunette, with a weakness for tomato soup and chocolate ice cream, is Winthrop's newest beauty contestant. And a small, white, homemaker, who refuses to talk about herself or the things she likes best, was the second winner in the annual Zeta Alumni sponsored contest held but Friday night in the new auditorium.

They are Nancy Laye of Pendleton, left, and Sarah Suggs of Anderson, right, in the pictures they win in the Alpha Beta beauty contest which they win with their queen and runner-up. (Photo by Sherry.)

Freshmen Make 'Rash' Promises in Club Initiation

**Note!**

The members of the club will meet in the gym at 4 o'clock Monday afternoon. All old members and those who have just signed up for the club are urged to be present.

This announcement was also of course to members already in the club, but no copies of the official were distributed.

The new members of the club, Margaret Copelen, Caroline Wood, Adele McKee, Jinnie Brogdon, Lula Rhame, Doris Aronson, Dorothy Isaett, Margaret Bennett, Peggy Smith, Mildred Myers, Mary Kohn, and Emily Miller, are the new recruits to the modern dance club. This spectacular setting will provide a welcome place for the members of the club to present their talents. The program will consist of a number of exercises, and the students will present the routines in a graceful manner.

The archery club will meet in the field of physical education on Wednesday at 4 o'clock. Miss Julia H. Post will be the guest of the club, and will present the rules and regulations concerning the archery club.

The swimming club will meet in the field of physical education on Thursday at 4 o'clock. Miss Julia H. Post will be present, and will present the rules and regulations concerning the swimming club.
