**This Week**

From the President of the Student Body

"You have a lot at Westminster these days about weekend dances and football games and your term papers and all that." Hence the most important thing is to be "on top of your game." "No one is a better judge of this than I am," notes President C. C. Hargrove. "We are not a very large college. Our maximum enrollment is only about 200 students. We are a college of small size and spirit, where everyone knows everyone else." And the President adds, "We are proud of our traditions and our history."

**SOUNDS OUTIDE MY WINDOW:** "Oh, what a lovely day!" This week's sound is "Granny," the school mascot. "Granny" is a large, greyhound-like dog who has been a fixture at Westminster for several years. "Granny" has been known to "whine" when the weather is bad, but today she is "panting" with excitement. "She's been waiting for a good day like this, and she's not disappointed," says her owner, Mr. M. H. Johnson.

**Conferences with Miss Mathews**

"This week we have been conferring with Miss Mathews about some plans for the future. She's a very intelligent and capable person, and we feel sure that she will be able to help us in our work."

**THE CURRENT CROP OF NEW JOKES**

"There's a new joke going around the campus. It goes like this: "What do you call a chicken that can't fly?" "A fish!""}

**SOUNDS OUTSIDE MY WINDOW:** "Oh, what a lovely day!" This week's sound is "Granny," the school mascot. "Granny" is a large, greyhound-like dog who has been a fixture at Westminster for several years. "Granny" has been known to "whine" when the weather is bad, but today she is "panting" with excitement. "She's been waiting for a good day like this, and she's not disappointed," says her owner, Mr. M. H. Johnson. **CONCLUSIONS**

"In conclusion, we feel that our plans for the future are very promising. We believe that we can achieve our goals through hard work and dedication."

Winthrop Girls From Darlington Sell $4,000 War Bonds for Kiwanis

Not only do Winthrop girls save paper and bottle tops during the winter months, but they give up a part of their winter vacation to help sell war bonds and stamps.

Sponsored by the Kiwanis club of Darlington, the girls sold bonds every morning for a month. With the help of the tobacco farmers, whose crop paid for a very high price this summer, the girls sold war bonds, stamps and Christmas cards.

As one farmer remarked, "I bought enough stamps to pay for a whole life insurance policy for my wife.""
