An event which encourages friendly competition is the Pep Meet. This event is known for being competitive and lively, with students often dressing up in costumes and cheering loudly for their respective teams. It's a day that brings a lot of fun and excitement to the school.

The Pep Meet is followed by the Homecoming Dance, which is a much-anticipated event for students. It's a night where students get dressed up in their best attire and enjoy each other's company on the dance floor. It's a memorable experience that many students look forward to each year.

The Tiger's Dick Breeland, a popular figure in the school, is often seen at these events. His presence adds to the excitement and captures the attention of everyone. He's known for his vibrant personality and his ability to make everyone feel included.

The Homecoming Queen and Homecoming King are crowned during this event, symbolizing the end of the school's homecoming festivities. It's a moment that highlights the spirit of unity and camaraderie among the students.

Overall, the Homecoming Week is a wonderful occasion that brings together students, parents, and faculty to celebrate the school spirit and the bond that unites them. It's a time of fun, excitement, and memorable moments that are cherished for years to come.
