**Y** Sponsors Project

In College War Effort

Students Wrap Surgical Dressings Weekly

One of the new projects to be sponsored by the Y.W.C.A. as a part of Winthrop's War Effort is the wrapping of surgical dressings. There are more than 15 students in the wrapping of surgical dressings. The group is enlisted for this purpose on the second floor of Thurmond hall.

The group is organized by the local war work committee of the Y.W.C.A., headed by Rosemary Hoey, pres. and is directed by Miss Ruth Rock, counselor. Mrs. Gertrude Pond, who submitted the idea for the project, will be in charge of the local war work committee. The dressings will be distributed to the local hospitals in need of them.

Seniors Elect Ashe Queen Of May Court

Staton And Attendances Will Be Headed At Conference Scheduled For May 1

Grace Ashe of Rock Hill, South Carolina, was crowned the May queen by the senior class this week and will take her place in the line of honor along with the other seniors. Miss Ashe is the daughter of Mr. and Mrs. E. W. Ashe of Rock Hill. Miss Ashe is a senior majoring in English.

The seniors are the darling of the campus and are the pride of the college. They are the ones who carry the torch of knowledge and are the ones who are expected to lead the way for the juniors and sophomores.

In addition to the academic preparation, the group is also being trained in physical fitness. The training will consist of a daily workout schedule which includes running, calisthenics, and gymnastics. The group is also being trained in the use of military equipment. The training will be conducted in the gymnasium and on the field.

We held it again the other day. It was a workshop at Winthrop. We ran it all through College, the professor saying—But it was an activity that we put it into the subject; but it doesn't and we might have to the idea. It sort of a sort of a spot with after so much hard work. "Why doesn't time permit?" It would, "Why doesn't time permit?"

Summer School Is Ours!
When a girl attends summer school for two weeks, it is a sign of honor and pa-

KURTWe were in the drug store. There wasn't, so he put something up.

The City We finished the story around
east. We took off to a good start, we re-

It's still going on, but I'm not sure how long it will last. There has been a great deal of criticism, some of it directed at Winthrop. But in any case, it is a comforting thought to one winter school session.

Tomorrow Is Ours. The Greeks had a saying, "If time permitted, we'd go more out of the ducky pond of today will rise the new dawn of tomorrow."

Sullivan Talks On 'Hi' Corps

Schools Offer Program of Two-Fold Purpose To Girls

Presenting a clear picture of the job before prospective teachers, N. Sullivan, a principal of the Rock Hill city schools, explained to the members of the Secondary Education club last Thursday afternoon the background work and personal qualities necessary for girls wishing to function intelligently in the program of the High School Victory Corps, which was held in a better hall and parser.

Mr. Sullivan said that practically all schools are working in some phase of the Victory Corps and therefore it is essential that every girl preparing to teach be well qualified for helping with the Corps.

Talk of Purging

Pointing out that the country has a two-fold purpose of preparing boys and girls for the career and work of the future, Sullivan brought to the minds of the students the value and nature of the science, especially mathematics and science.

He explained that any girl capable of handling most of the work in the Victory Corps is capable of handling the work of any school science and will be interested in the development of the science, especially mathematics and biology.

The question of the second phase of girls joining the Victory Corps was raised. Mr. Sullivan said that the girls of the Victory Corps are to be selected for work in the physical fitness program and in the science division of service of the nation.

Mr. Sullivan said that in order to prepare the girls for the Victory Corps, it is necessary for them to be enrolled in the physical fitness program and to take part in activities such as basketball, volleyball, and other sports.

Fletcher's Works Take First Place

Two new choral compositions written by R. Grant Paulink, who has been chosen as winner in the Millikan Choral Competition, will be presented by the WSCC choir, directed by Mr. Fletcher, who has been announced as the winner of the competition.

The first one, entitled "An American" and the second one, "The Spirit of France," will be presented by the choir in the coming weeks. The compositions will be performed in the school auditorium on Thursday, March 12, at 8:00 p.m.

Changes Made In Class Time Of Nutritions

In order that more girls will be able to take the nutrition course and get the benefit of the new classroom setting for the first time in the past three years, Mr. Fletcher recently has requested the school board to have the nutrition course placed in the third semester of the school year.

A new arrangementhas been made that the nutrition course will be offered on Tuesday and Thursday afternoons, starting from the third week of the new semester.
The Social Campus

By ALICE TURKER

The social spotlight this week turns from a perfect mid-winter formal to shine on a successful homecoming. In the spirit of Grace Ache, her attendants, and Victory Society, many met "Tom." Mrs. Harold Evans, the mother of Mrs. A. E. H. was met by Mrs. A. E. H. last Tuesday night. It's easy to remember, but how many do? We hope you remember the meeting of that unforgettable Valentine formal. There is a reason for being called the "Holy Grail," and if you'll come with us, we'll share one more reason.

TO A WEDDING of a former roommate proved an exciting adventure for Betty Reynolds, Missess Grace Adams, and Dorothy Brown. The ring arrived Thanksgiving and there was no question that one more wedding present for the ring to be joined in the family circle. The ring was given by Carolyn, Missess Grace Adams' sister, and the ring was presented to the bride.

By BETTY WASHAM

It's the time of the year when the seniors start talking about what to do after graduation. Shall we stay in WAVES, the WAACS, or should we do something else? There is no one right answer. Everyone has different ideas and different plans. Some seniors want to stay in WAVES, while others want to go to college. The decision is up to each individual.

SPORTS
W.A.A. Names Four Best All-Round

Selectees Chosen On Qualities
West, Burns, John, Sheedy, Typical Of 1943 Senior Leadership

It takes four "Best All-Round" men of the freshman class and one "Outstanding" senior to make a great athletic team. As we go to press, the naming of four "Best All-Round" seniors in the Carolina athletic annals, to which list the present group will have been added, is one of the College's most publicized events of the year. Those destined for inclusion in the immortal list of the best student-athletes in Carolina history are chosen from a body of candidates the numbers of whom are determined according to the needs of Carolina's athletic program. This select group, which has been named, is the first to carry the title in recent years. The four "Best All-Round" seniors are:

Lois Rhame, West, the outstanding women athlete in the Carolinas.

Burns, John, and Sheedy, the outstanding men athletes.

Each selectee is chosen for his contributions in many sports. The "Best All-Round" designation is awarded to those who have excelled in more than one sport and who have shown a marked ability to contribute to the athletic program.

Modern Dance Featured At AAUW Meet

The art, music, and physical education departments joined in a modern dance presentation at the AAUW meet, the novelty of which lies in the rich variety of modern dance interpretations. The dance, which was choreographed by Carol Bearden, included many variations of the "Swing" and "Rock and Roll." The audience was captivated by the intricate and dynamic movements of the dancers, who displayed a high degree of creativity and professionalism.

Wanda Lee Meintzer, who organized the dance, announced plans for a regular dance series to be held every second week. The program will feature a variety of modern dance styles and will provide a platform for students to showcase their talents.

Wrinkle On The Campus

Several incidents of vandalism have recently occurred on campus. The incidents, which include broken windows and other damage, have caused concern among students and faculty. The intramural sports committee has issued a statement condemning the acts of vandalism and has called for action to prevent further occurrences. The community is urged to cooperate in the investigation and to report any suspicious activity.
