Feeling that there is some cash being spent for Groceries that should come to us, we have decided to sell two cars Eureka 1st Patent Flour at \$2.25 a hundred; two cars Best Second Patent Flour at \$2.00 per hundred. Every sack of this Flour guaranteed as represented or money refunded. We have splendid Bone Dry White Corn, White Clipped Oats, Sugar, Coffee, Meat, Lard, Salt and almost everything you need. We will positively sell this stuff at wholesale prices, which is surely cheaper than any retail dealer can afford to sell. To do all this we must have the Cash. Don't ask us to Charge it. We cannot,

W. road ought to move its headquarters to ought to move its headquarters to Gastonia, the largest businesse point on the road and the town that gives the road the most business and is the treat the most business and is the for its headquarters. You may talk about people not liking a railroad but you never hear a Gastonia business word about the C. & N. W. road. Gastonia wants its shops and headquarters.

uarters.

The Lantern does not agree with
the Charlotte Chronicle or its Gastonia contemporary. Chester has the
riendliest feeling toward the C. &
V. W. people, and she, as a terminus.
s not tired of its headquarters and is not tired of its headquarters and shops. Chester appreciates what this railroad means to her, and she in turn gives the road good patronage. Chester is the logical point for these headquarters, just as these people, in their wisdom, have seen advisable to establish them here.

New Store and Office Building.
Doring the past few years several
buildings have been added to the
business portion of Cluester which are
decided ornaments to her. Mr. T. L.
Eberhardt, who purchased the Gage
property on the corner Main and Wylies streets a few weeks ago, has received plans from Architects Shand &
men building, which he expects to
erect in the near future. The plans
show that the dimensions of the
building will be Tixinos feet. Facing
Main street will be three large store building will be fixing feet. Facing Main street will be three large store rooms. The one nearest Wylle street has, been leased to the government for the years, to be used for the post-office. The other two rooms will be for rent, as store rooms. For the

Manufactoring Company principally, and this part of the building will be litted up with this particularly in view. In addition to this there will be a few rooms on the second floor fitted up for offices. The entire building will be thoroughly equipped with all the modern conveniences, and when this is completed it will truly be an additional ornament to Chester. The control of the Chester in the control of the Chester in the control of the Chester is company a plant near the oil mill. For several months he has been at the head of the Southern Manufacturies a high grade of overalls, and for these there is an increased demand. This fall Mr. Eberhardt is considering the advisability of opening up a first-class steam hundry. He believes this will pay well, besides adding enterprise to the city, and proving a great convenience to the people of Chester.
