Record Attendance Marks Summer Session Opening

President Johnson Welcomes Students at First Chapel Service—Others Also Extend Welcome to the College and City

The 16th Annual Session of the Winthrop Summer School opened today under the leadership of President Johnson. The College's Summer Session has continued from June 11th to July 10th, 1923. Today, President Johnson welcomed all students, faculty, and staff.

Dr. Richard Burton, Gifted Lecturer

Richard Burton, the department of English at the University of California, opened the 16th Annual Session of the Winthrop Summer School and welcomed the students.

Mrs. D. B. Johnson

MRS. D. B. JOHNSON extended cordial invitation to the students to participate in the opening of the Summer School. Mrs. Johnson spoke on the importance of the Summer School and its role in the development of students.

Mr. Frank Bohn, Talks on Leverage

Mr. Frank Bohn, of the Board of Education, spoke on the importance of leverage in the educational system.

Contest Groom

Contest Groom is a popular activity during the Summer School. The contest involves the selection of the most attractive and talented students.

Activities featured sessions

The activities featured sessions include a variety of events such as drama, music, and sports.

School events

School events include a variety of activities such as concerts, plays, and sports events.

Trainor and associations

The trainor and associations are an important part of the Summer School, providing opportunities for students to participate in various activities.

Spanish Speaking Classes

Spanish Speaking Classes are offered at the Summer School, providing opportunities for students to improve their Spanish language skills.

Miss Mary Hill on the Campus

Miss Mary Hill, a well-known student, was on the campus today. She spoke on the importance of the Summer School and its role in the development of students.

Dr. W. S. Johnson

Dr. W. S. Johnson, of the Department of Education, delivered the welcoming address at the opening of the Summer School. He spoke on the importance of the Summer School and its role in the development of students.
