Description of series and its contents:

The series consists mainly of evaluations, questionnaires, reports, correspondence, teaching material and also contains some oversize items. SCAT began at Winthrop in 1964 as an educational experience for Junior High School students (8<sup>th</sup> and 9<sup>th</sup> grades) who were at least two grade levels ahead of their peers in school. The program was originally under the school of Education. The Administrator of the program from 1969 to 1972 was Dr. J.J. Godbold and his primary responsibility was the recruitment of the students and publicity for the program. Once the students arrived on campus they became the responsibility of the Camp Director who worked directly under the Vice- President for Academic Affairs. Dr. Morgan served as Camp Director from 1971-1972 (the last summer of the program's existence). The SCAT records from 1964-1969 in this series are missing. Related records would include the files of the Vice- President for Academic Affairs, any teachers involved with the program and Accession 19 of the Oral history Collection (Summer Camp). The records are arranged alphabetically by subject and, thereunder, they are in chronological order.
