HOCKEY PRACTICE OPENS FOR SEASON

Hockey practice will open this week, the men's and women's teams. The season will be covered by the coaches. The fall season means great excitement and lavish enthusiasm from the students. The teams will begin with the regular practice and will continue until the regular season begins.

BISHOP FINLAY IS HEARD AT COLLEGE

Bishop Finlay, the distinguished scholar, will address the college this morning. His subject will be "The Influence of the Bible on Modern Thought." The assembly will be held in the chapel at 10 a.m.

JUNIOR BUCANIERS PLOT WICKED FUN

The junior bucaniers, in their usual style, have plotted a series of wise and wicked fun for this week. Their plans include a masquerade dance, a treasure hunt, and a treasure chest sale. The events will be held in the gymnasium and the student center.

HON. J. THOMAS HEPH. SENATE FROM ALABAMA

The Senate of the State of Alabama has called a meeting of the various members of the Alabama Senate to deliberate on the important issues of the day. Hon. J. Thomas Heph will be one of the members of the Senate who will attend this meeting.

EAGER SPECTATORS SEE CIRCUS PARADE

A circus parade will be held in the downtown area this afternoon. The parade will feature daredevils, clowns, and other performers. The parade will begin at 2 p.m. and end at 4 p.m. The eager spectators will line the streets to watch the parade.

STORY OF SILK CULTURE CAPTIVATES STUDENTS

The Johnsonian, the official publication of the student body of Winthrop College, features a story of silk culture. The story is written by Mrs. Lewis, a scholar of the field. The story is titled "The Johnsonian's Guide to Silk Culture." The story will be published in the next issue of the Johnsonian.

Important Notice

Mrs. Julia T. Minkley has announced that the Johnsonian will be published weekly. A single copy should be purchased to avoid the cost of订阅. The Johnsonian will be published every Wednesday.
A CHALLENGE TO SCALE THE DINERS

Imagine the challenge of executing such an undertaking, even in those who attempt to scale the heights of the Alps. One foot feeling or not feeling solid, and the other one on the verge of falling. A similar situation exists in the current educational system, where students are often exhorted to "stretch" themselves. However, this "stretching" is nothing more than walking on a rope, with each step being a balance between failure and success. It is important to recognize that the success of a student is not only determined by their ability to "stretch" themselves, but also by their ability to "land" safely.

THE JOHNSONIAN

SCHEDULED EVERY SATURDAY

During the semester, The Johnsonian, the official newspaper of the Student Body of the Winthrop College, will continue to publish a weekly periodical, The Johnsonian. The paper will be available every Saturday morning at the door of the residence halls. The report of the new appointments for the fall semester is as follows:
