Sub-Group: _____
Series: Architectural Projects and Proposals

Record Group no: W404.1
Sub-group no: ____
Series no: 1

Description of series and its contents:

This series contains materials relating to the selection of architectural and engineering firms for several Winthrop renovation and construction projects. Materials include: Brochures, photographs, application précis, correspondence and notices.

These records were handled by several offices during the mid 1970's when the various administrative posts were shuffled and re-named. They eventually became the province of the Vice President for administrative services, an office created in 1978.

The materials are mainly arranged in alphabetical order, by name of the firm.
