Annual Pep Meet Precedes Tourney

Class Vices Monday For Yell Honors

By NELL GARNER
Senior Class Cheer Leader

Every girl on this campus will have the chance Monday night, November 15, to prove her loyalty to her class and to her Alma Mater. The annual pep meet, to be held at Winthrop Coliseum, is expected to draw a large crowd. The meeting will be the highlight of the week for many students.

The class may have lost or didn't. So.

The spring and fall seasons are always an exciting time for high school students. The pep meet is one of the main events of the fall season. The win or loss of the game will depend on the team's performance.

The game will begin at 7:30 p.m. and will feature the senior class against the junior class. The senior class is expected to have a strong showing, while the junior class will be working hard to improve their performance.

The game will be followed by a dance, which will feature a variety of music and entertainment. The dance will run from 9:00 p.m. to 1:00 a.m.

The senior class will have the opportunity to make some final adjustments before the game, and the junior class will be able to see how their efforts have paid off.

The pep meet is a fun and exciting event for students of all grades. It is a great way to show school spirit and to support your favorite team.

Plan to be there and join in the excitement of the pep meet!
