STUDENT BODY TO POLL STRAW VOTE

Winthrop to Join With Other Colleges of Nation in Expressing Candidacy for Membership in League

The vote of the student body on the question of membership in the United States into the World Court was held Wednesday. The vote was taken in the South College chapel. It will be presented to the students of other colleges of the nation in the coming week, in order that there may be a nation-wide poll of the students of the nation. This poll is taken under the auspices of the American Council of Learned Societies, which includes the Winthrop college.

There is a need for action on the question of membership in the World Court, says MissKate Rogers, of the Women's Student Union. She says that the question of membership in the World Court will be submitted to the students of the nation in the coming week.

FACULTY ATTENDS CONVENTION

Prof. D.D. Ewing, the president of the state college, and Miss Kate Rogers, the registrar, attended the convention of the American Council of Learned Societies last week in Washington. They attended the meeting of the council in order to be present at the national poll of the students of the nation on the question of membership in the World Court.
