**Meeting of Farmers.**  
 Pursuant to a call published in The Lantern, a meeting of farmers was held in the court house yesterday. The response to the call was most gratifying, representing every section of the county. The purpose of the meeting, as published in the call, was to join in a concerted movement of cotton raisers all over the country to regulate the movement of the crop so as to secure to the producer the just reward of his labor.  
 The organization formed yesterday is to be known as The Farmers' Institute of Chester county. The officers are P. L. Hardin, president; T. J. Cunningham, vice-president; John C. Nunamery, secretary.  
 A call was issued for a state meeting to be held in Columbia on Wednesday of fair week, and W. H. Hardin, T. J. Cunningham and S. T. McKown were elected delegates to that meeting.  
 An executive committee, composed of T. J. Cunningham, W. O. Guy and J. G. L. White, was appointed, and this committee was instructed to draft a form of constitution and by-laws.  
 The Institute adjourned to meet again on the first Monday in November at 11 o'clock.  
 Lost—Star blanket, recent, with W. L. S. (per apron ad extra) with C. E. Durby engaged under side.  
**Baptist Convention Coming.**  
 The state convention of Baptists in South Carolina will meet in the church building of the Chester Baptist church on Tuesday, Nov. 29, 10 o'clock a. m. The convention sermon will be preached by L. M. Roper on C. B. Burts.  
 The messengers and visitors usually number from two hundred and fifty to three hundred. At the last meeting, at Sumter, there were two hundred and thirty messengers. This is the largest missionary body that meets in South Carolina whose constituency is outside our state lines. It represents 951 Baptist churches. These churches are organized into thirty-six associations. At the last report, one year ago, these churches had 439 ordained ministers and 102,813 communicants. They paid last year \$52,530 for missions and education and raised \$125,000 for additional work for Furman University.  
 They own church property valued at \$1,261,480.00.  
 The enterprises that the state convention is designed to promote and foster are State Missions, Furman University, the Greenville Female college, and the Connie Maxwell orphanage at Greenwood.  
 We also have a board to care for supernumerary ministers and their widows, to which the churches contribute, and they also make annual contributions to aid ministerial students at Furman University.  
 These enterprises constitute our home work in South Carolina. This convention and the churches composing it are constituents of the Southern Baptist convention, and contribute liberally to the great and important enterprises fostered and prosecuted by that body. These are the Southern Baptist Theological seminary (the largest institution of its kind in the world), Home and Foreign Missions. Home Missions embrace all the southern states, Cuba and our western territories and work among the negroes and Indians. This is a birds eye view of the work in which the Baptist convention of South Carolina is engaged. This body is coming to Chester on the 29th of next month. Committees have been appointed to solicit homes for the messengers, and will commence their work in a few days, and we are persuaded that the provincial hospitality of Chester will be maintained when these visitors come to our city.  
 W. H. EDWARDS,  
 Clerk of Chester Baptist church.

**IT IS SERIOUS.**

Some Chester People Fall to Realize the Seriousness.  
The constant aching of a bad back, the weariness, the tired feeling, the pains and aches of kidney life. Are serious if neglected.  
Dangerous urinary troubles follow. This testimony shows you how to avoid them.  
I was married, an old resident of Rock Hill, residing on West Main street, in the marriage of my wife, she was brought to my attention and until I got a box and used them I was a continual sufferer from a weak and aching back which made every unnecessary exertion a source of pain and annoyance to me. The pills made my back strong again and it was not ached since. The beneficial effect was so marked that I cannot but feel very grateful and you have my permission to use my name as a reference.  
Plenty more proof like this from Chester people. Call at Fryer's Medicine Drug Co. store and ask what their customers report.  
For sale by all dealers. Price 50 cents. Fryer-Milburn Co., Buffalo, N.Y., sole agents for the United States.  
Remember the name—Duan's—and take no other.

**CURES STOMACH TROUBLES**

"THE body gets its life from food properly digested. Healthy digestion means pure blood for the body, but stomach troubles arise from impurities in eating and stomach disorders speed the entire system. Fryer's medicinal food soon on the stomach, causing indigestion, belching and nausea. When over-eating is permitted in the stomach, it becomes overburdened and worn out and dyspepsia attacks the victim."  
Theodore's Black-Draught cures dyspepsia. It breaks the stomach and bowels, cleanses the matter and gives the stomach strength. The medicinal quality investigated and the natural stimulation results in a good appetite, with the stomach thoroughly digested.  
You can build up your stomach with this mild and natural remedy. Try Theodore's Black-Draught today. You can send a package from your dealer for free. If it does not cure, you will receive the money to the Chattanooga Medicine Co., Chattanooga, Tenn., and a package will be mailed you.
