DR. JOHNSON TELLS OF WINTHROP'S NEEDS

Agnes Webster, chairman of the Committee of Accessions and trustee on the Board of Trustees, reported that the committee has been working on the problem of accessions for some time and that it is hoped to have a larger number of accessions this year.

"There are currently 1,283 students enrolled at Winthrop College, and it is hoped that this number will increase in the future," Dr. Johnson said. "The college is in need of more funds to support its operations and to provide scholarships for its students."

Winnipeg College, Dr. D. B. Johns, and the students for the evening, is overruled in practically every case.

"Students have been asked to support the college by attending the evening," Dr. Johnson said. "The college is in need of more funds to support its operations and to provide scholarships for its students."

"I am pleased to report that the enrollment for the current year is 1,283 students," Dr. Johnson said. "The college is in need of more funds to support its operations and to provide scholarships for its students."

New Silks
Inspired By Spring
Distinct new silks are the first indication of the spring trend, catching the spirit of the lovely, lively season in their fresh colorings, play patterns and silky textures. Modern and refined, yet not too formal, the new shades and patterns, which are entirely new—characteristic of the coming mode, are entirely novel—charming, gay patterns and silky textures. Modern inspiration by spring
