The Annual Freshman Election

The freshman class will take over Thursday of this week from the juniors, who will then be the seniors. It will be an interesting change for all students, faculty members, and administrators to work with the freshmen. Covering a significant portion of the student body, the freshmen will be responsible for electing the next set of officers for the Campus Weekly. This is an important event in the life of the college, as it marks the beginning of the freshmen's involvement in campus governance.

Assembly Attendance, No Great Grimrose

The assembly committee has been quite prompt in their efforts to gather all students for assemblies. However, they have been met with some resistance from the students, some of whom feel that the assemblies are too long and repetitive. The committee is currently working on ways to make the assemblies more engaging and informative.

Class Structure

The class structure this year has been quite unique, with a mix of large and small classes. The freshmen are taking a variety of classes, ranging from math and science to English and history. This diverse mix of classes is designed to provide students with a well-rounded education.

Assembly Attendance

Attendance at assemblies has been quite good, with most students showing up on time. However, there have been some students who have missed a few assemblies. The committee is working on ways to improve attendance and make the assemblies more appealing.

The JOHNSONIAN

We Live By:
The Johnsonian wants to�� the reputation of the student government and newspaper throughout the entire college campus. You have just witnessed a demonstration of the capabilities of the student body and the newspaper in making the campus a better place to live.

Here's Your Chance

When I learned there was an urgent need for recruitment in the advertising department of The Johnsonian, I tried to convince the current Red Cross drive for blood donors, with the result that the Johnsonian was able to participate in this important campaign. Through the efforts of the advertising department, the Johnsonian was able to recruit new members, and the result was a significant increase in the number of students who joined the team.

Campus Bold Spots

Not so long ago Editor Bettie issued a challenge to the advertising department of the biology department, seemed a bit on the pessimistic side. Many advertisers have been made by many sources to bring about the reaction. A few advertising spaces along the lines of the Johnsonian were sponsored on the campus by the Central War Advertising Office. To know you are doing something to help

Major Election

Elective time always brings out the red-blooded sort of advertising to keep the blood flowing. A few months back, when you were discussing the problem of the Johnsonian's future, you stole his issue of THE JOHNSONIAN and vowed to bring about the next election.

Gathering From All Over

The JOHNSONIAN

We are now accustomed to the strains of a military band, echoing over the campus.

Campus Bald Spots

The JOHNSONIAN

Many campaigns have been waged over the years, but few have been as successful as the Johnsonian's. The Johnsonian has always been able to bring about the change and bring about the victory.

The JOHNSONIAN

We have been working hard to bring about the change and bring about the victory. Now, with students judging for themselves, we are ready to move forward.

The bill before Legislative This Week

The bill on appropriations now before the South Car-

nights to provide for an appropriation of $92,000 for

hina legislators provides for an appropriation of $93,000 for

Winthrop college, a de-

crease of $4,000 from last year's $97,000.

Year. Despite the decrease, legislators believe Winthrop is doing the same finan-

cial job now as it did the previous year. They believe that payments from the army and

Winthrop are making up the apparent $4,000 de-

crease in this bill. Winthrop officials assume the responsibility for large payments

from the army are due to the current higher salary levels. The remaining $4,000 is one

commitment of all the state institutions. The budget reductions would be a serious per-

centage decrease on the already cut budgets. Winthrop college officials have heard that

the budget cuts have caused educational cuts. Among the cuts would be a decrease in

in the liberal arts programs. College authorities have been assured that the budget cuts

will not affect Winthrop. The assurance was given because of the amount of the cuts in

each case will vary. Each college is left to its own devices to cut the amount of money

needed to run the college. Other State budgets are not cut on the same basis, with disallow-

ances being based on necessity for the number of students enrolled in each college. The

College Appropriation Act is for the fiscal year beginning July 1.

Biological Club Elects Officers Monday

New officers for Foresters and Flowers, the biology club, elected at the recently

held meeting held in the biology laboratory Monday are: James B. McElroy, president;

Alone Wells, secretary; Harry Ham-er, treasurer. Zoology Club officers are:

Mary Section, biology; and Peggy John-

son, president. The program at this meeting was opened with the choosing of the bi-

ological occupational chairs for women.

SEASON'S CAGE FRACAS BEGINS TODAY

Craig Says A, B Teams Covet Title

Fresh-Soph "A" Shares Top Spot Today, Delight With Junior-Senior "B"s

Crazier on paper than recently is stated is for the first time when the annual basketball and swimming gala was held today, in the gym, with fresh-soph and junior-senior teams holding the floor.

As a high light of this season of sports, according to plans announced by Mr. Council in a recent announcement, the fresh-soph and junior-senior teams will be selected with emphasis given to the winning of teams by equal strength, pits competing against each other them as a tournament. As a result, each team will have a chance to display its college spirit and win the championship title. Craig has been

The South Carolina State Council of Women's Athletics will convene Friday night, under the chairmanship of Miss Mary Emma Speake of Greenwood high school; assistant chairman, Miss Frances Cake of the Linestone college; and Miss Dorothy Reeder of Furman university; recreation advisor, Miss Mary Jetn Hance of the Greenwood high school; social advisor, Miss Ann Harris; musical advisor, Miss Ruth Smith; and secretary, Miss Elaine McCall, all of whom will be on hand.

Mrs. Potter, in her two-hour talk, said she is looking forward to the opening of the South Carolina College of Women's Athletics, to be held in the gymnasium on April 12, for the purpose of giving a talk on the importance of women's athletics, and to present a vote of thanks to the women who have contributed so much to the success of the organization.

From the looks of the recent practices and some of the slick passing displayed by the players, the tourney should be a tricky tussle and well worth the watching.

The South Carolina State Council of Women's Athletics has initiated a colorful freshman tourney, and the March 15th meeting is scheduled.

The tourney will be held on the first and third Saturdays of each month, and the junior and senior A teams will be represented in the tourney.

Under New Management

The state's largest dance club, the South Carolina State Council of Women's Athletics, has been reorganized, and the new officers have taken over the duties of the organization.

TAKING BACK TO NATURE as the way of the week's pastime, some 70 freshmen were seen strolling through the woods of the college grounds, with a line of freshmen following them, as a part of the college's physical education program.

The freshman dance club was organized as the result of the recent confab, the workers turned out in force, and a hearty vote of thanks was given to the committee members who have been instrumental in the organization of the dance club with their proclivities.

The ball supremacy.

Juniors Cop Honors In Swim Meet

Frosh, Sophs Follow Up 29 Point Lead With 22 A-Team Bat"s

Underwood, a member of the swimming team, was a winner of the 29 point lead, which was followed by the sophomore team, who were second, and the junior team, who were third.

The tourney was held in the gymnasium, and the winners were awarded certificates and medals.

During the tourney, the fresman and senior A teams, and the junior and senior B teams, were represented in the tourney.

Any More Fried Chicken?

By TADDY GOLDAWAY

There's a broad new attraction in the campus! It makes the appearance every work and when the days of the Senior Cafeteria opened for business.

The atmosphere of Johnson hall is becoming more pleasant every week.

It seems to me that a "swag" man can always read at the end of this hall, that he has lost in this new picture of an "old west," a series, in a clear red and white color scheme managed by Helen Gourley and her "bitter" lawyer review of the committees: Anne Gardner, Angela Caroline, Mattie Marshall, et al. Henrietta, Harley Bridges, Fannie Crawford, food preparation: Caroline Whitehead, kitchen; Caroline Whitehead, business, and Louise Whitehead, executive.

Mold Enterprise

This Land is Mine campus Movie Tomorrow Night

The success of "Land is Mine," starring Charles Laughton and Margaret Linn, will no doubt inspire the following talent who choose to enter it. The cast which has made the cut includes: Misses B. E. Clough, Misses Mary Stone and Misses Mabel M. White.
