Also included is Shankman's correspondence with Marion Wright, interviews with the Civil Rights activist, and a collection of Wright's papers and speeches, including papers concerning Dr. Shankman's participation in the publication of *Human Rights Odyssey*, a collection of speeches, essays, and articles by Marion Wright. Shankman edited the book, and wrote the introduction. Some of the material pertains to Dr. Shankman's publishing efforts, his work as a Winthrop faculty member and scholar and his involvement with professional organizations, especially Jewish organizations such as the Southern Jewish Historical Society and the American Jewish Historical Society. He also took part in the American Historical Society, and their conferences, often giving papers at the various seminars. While there is ample material extending from Dr. Shankman's student days at Knox College and Emory University, most of the substantive material extends from 1975-1982.
