Description of series and its contents:

**This series consists of correspondence, brochures, minutes, reports, newspaper clippings, membership lists, evaluations, course descriptions and other records, relating to the Honors Council and the Honors program at Winthrop. The concept of an Honors Council was discussed and worked on by the faculty and deans during 1960. An Honors Council for the 1961-1962 session was formalized by the Academic Council on May 16, 1961. Later a request made for a statement to be included in the Winthrop catalog was approved and this statement began appearing in 1964. See series 2 of this sub-group for honors term and research papers. The records are arranged chronologically by five-year periods (1960-1965, 1966-1970, and 1971-1975) and, thereunder, they are arranged alphabetically by subject. There may be some overlap. For example, some records from 1960-1965 period may appear in the 1966-1970 period and so on.**
