MANNED SERVICE

The fiftieth annual session of the Winthrop College Summer School is drawing to a close. In many respects this has been the most successful year the school has ever had. It has been the year in which the school has achieved its highest enrollment, and the year in which it has received the greatest number of visitors. The school has been the center of a great deal of activity, and the visitors have been the center of its success.

The school has been the center of a great deal of activity, and the visitors have been the center of its success. The school has been the center of a great deal of activity, and the visitors have been the center of its success.
