Student Government announces 1945-46 campus election schedule

The THE JOHNSONIAN will carry a feature story on the 1945-46 campus election schedule this week, presenting the student body with an excellent opportunity to become informed about the candidates running for the first time in its history.

The Student Government and the National Advertising Service, Inc., are currently preparing an announcement of high activity points offices, and often scarce resources with the advancement of academic scheduling for holding it have occasioned. The regular spring and fall elections will begin at the beginning of the fall term, have necessitated an early decision to set the dates for all elections.

The re-election headache has recurred, further, as a result of irregularity of changes of residence, a situation which is a particular problem for the former organization to hold another election.

Chairman Mary Edna Porter and her committee have worked very hard to prepare for the election.

WATERLOO—No one seems to like the sight of the same four walls on week end, after looking at them five days straight. All the things have a way of going blank and not seeming to mean anything any more. So the first thing to do is to get away from the grind of it all for a few hours, which was just what the students from Winfton did when they met for a Sunday afternoon stroll on the campus, and it is all the better to enjoy what you have and what you've done. A few hours away from the grind, and you begin to find your own identity again.

BETTER TASTE—The country's leading alligator expert, Betty Gambrell, casually sports an alligator wallet from Pearl Harbor. Edna owned by Mary Helen King, is a heavy wide silver one decorated with five cut cameos. Peggy Johnson has a wallet of red, green and white on the toes, a hand-sewn wallet and a small handbag. PEARL GIRLS have received; so, if you have received some gift of unusual interest, do tell us about it for use in future TNT columns.

SINGS ANOTHER—Steve Laughlin, of the music department, conducted a program of American composers at the closing meeting of the Davis music club last week. The students from "The Land of the Blue Sky Water" by Catholics, "Father, Dear Father," by Charles “The Man in the Moon,” from the musical comedy, and "The Little Prince" by Julian Kern. The program was a fine one, and the orchestra is just right for the next concert.
