HAWLEY TELLING FOOTBALL SECRETS

Savannah College Coach Reveals How a Light Team Can Outwhelm a Heavy Team

Some old-timers in the football business are the ones who have the real trick of playing football the way it should be played. They have known the game since the days of the old-time college football teams, and they know how to play it. The modern teams are not as good as the old-time teams, and they do not play the game as it should be played.

J. H. B. C. (J. W. H. B. C.)

An old-timer from Louisiana, a former star player, says that the game has changed so much that it is no longer the game that it used to be. The modern teams are not as good as the old-time teams, and they do not play the game as it should be played.
