DEPARTMENT OF WILDLIFE 

CARTERET WILDLIFE CENTER 

The following pages are devoted to the cartel's wildlife centers. The text describes the importance of preserving the natural habitats and ecosystems of wildlife centers. The cartel aims to educate the public about the significance of these natural areas and to encourage the conservation of wildlife species.

SUMMARY OF THE MEETING 

The meeting was held on the morning of March 15. The members of the board discussed various topics related to wildlife conservation. The agenda included the following:

1. Approval of the minutes of the last meeting.
2. Discussion of the wildlife survey results from the previous year.
3. Review of the wildlife management plans for the upcoming year.
4. Approval of the budget for the wildlife management projects.
5. Discussion of the need for additional funding to support the wildlife center operations.
6. Approval of the wildlife conservation grant applications.

The meeting concluded with the adoption of a motion to approve the minutes of the last meeting and the approval of the wildlife management plans for the upcoming year.
THE JOY OF FORGOTTING

There's an art in forgetting when you're trying to keep the praise of the innocent and the blame of the guilty in mind. There has often been the case when you have tried to do the right thing, but has often done the vice, the present forgotten, and the past been forgotten.

Time's up: forget! which goes to prove that girls are not quite the same in account and creation. It is in all its place. After the greatest of all days and this being the exhilaration of the intoxication of time for the summer students and all his followers.

The better students go to their par

satisfaction, work, and study is out of mind. "She and
took in the place of Marseillaise, played

The Christmas Seal

History of the Seal

The Christmas Seal is one of the oldest and most familiar symbols of charity. It was first introduced in 1907 by the National Tuberculosis Association. The idea was to create a symbol that could be used to raise funds for tuberculosis sanatoriums and hospitals.

Making and Marketing the Seal

The process of making and marketing the Christmas Seal involves many steps, beginning with the design and printing of the seals. Each year, the design is selected by a committee of experts, and the seals are printed by a reputable printer. The seals are then distributed through various channels, including churches, schools, and businesses.

The sale of the Christmas Seal is a joint effort between the National Tuberculosis Association and local chapters of the organization. The funds raised are used to support tuberculosis research and treatment programs.

Our Record

In 1914, the sale of the Christmas Seal began for the first time. That year, $9,000 was raised. Since then, the sale has grown exponentially, and in 2020, the sale raised $250,000,000.
