What We Live By

The Johnsonian wants us to have a repu-
tation for thoroughness, thoughtfulness and
honor. We have a duty to ourselves, to our
friends, to our families and to our school. We
will do you a favor if you call when we aren't
here. We will do our best to live up to the
standards our school upholds.

YOUR POP, YOUR GIRL? 

You've Got It! 

I think you'll have to explain Class Spirit . . . It Is Needed

WHO'S GOING TO WIN PEP MEET? 

Ray! Ray! Ray! Pep Meet is heating this way. We've got a winning team. Last year we students bring our pop out and that off for the best. This year we'll let our pop collect them during the 8th hour. We'll have Ray, Ray, Ray - Ray, Ray, Ray. 

Let's make this year different from the last because last year we started to plan our program and we're not going to do that. We're going to do it in the classroom. 

The best way to do it is to have a good spirit leader. 

"Pop" mean's something to us. It's something more than just a name. It means someone who's always there to help you. He's someone who's always there to listen to your problems. And he's someone who's always there to make sure that you have a good time. 

We're looking for someone who's going to help us out. We're looking for someone who's going to be there for us. We're looking for someone who's going to be our friend. 

We're looking for someone who's going to be our Class Spirit . . . It Is Needed.
**“Rat Hop” Slated For Tomorrow Night**

By ANNE DOAR

"Most adorable hit," is the very expression of Mrs. Tree E. B. de Mussen, instructor in Spanish, after hearing the testimonial delivered by a member of the Winthrop Spanish Club last Saturday evening in the new auditorium Saturday night.

The Spanish instructor's home, 1409 S. Main St., Winthrop, Puerto Rico, Miss4 lived in South America for seven years and has traveled in many countries to describe her experiences to the Winthrop students.

"Generally, the South American countries open their doors to all the world, and the Spanish language is used everywhere in its own countries, Mexico, where I was educated, is one of the most interesting countries, the "painter of the soul of the world," as Roura Oxan-Salverria, one of the great modern Spanish authors, has called it. Mrs. Munoz was an expert in this language, and in foreign countries, the student body of nearly six thousand is a gala occasion for the fifteen thousand or more Winthrop College in the City of Rock Hill. Elaborate preparations are under way to make this a great night for Winthrop freshmen and the “Rat Hop” which followed was a great success.

Three forums in this series will be held in Columbia, Friday, October 18, on needed social legislation.

Mrs. Mary E. Frayser, home econ. of Winthrop college, is associated with the Great Winthrop.

**Fleet Green To Play For Fall Ball**

Fleet Green and orchestra will be playing for “Autumn Ball,” first Student Government formal, Saturday, October 19, in Johnson hall.

“Tunes will swing out” from 8:30 until 12, according to Miss Jean Douglass, chairman of dance committee.

Pi Gamma Mu Names 5 To Committee

Two students and three faculty members were named to a Pi Gamma Mu committee to examine possibilities for a chapel program based on employment, at a meeting of the national sociology fraternity Oct. 11 in a common hall.

Those selected for the committee include Nancy Young and Debby S. Watkins of the sociology department, and Third D. Edwards, assistant professor of economics, Willia Miller, assistant professor of government, and L. H. Mathews, head of the sociology department, and Willa Rider, assistant professor of economics.

The committee will attempt to bring Winthrop graduates to the campus to give present students information on employment, and field trips to industries.

NOTICE

The gymnastics swimming meet will be open to Winthrop college faculty members every Wednesday night from 8 to 9 o'clock.

Folk Dancers Elect Secretary, Pianist

Missie Lou Dent and Belvin Sisse were elected secretary and pianist, respectively, of the Folk Dance club at a meeting October 12.

Miss Julia H. Port, head of the physical education department, faculty advisor, Club meetings are held in the gymnasium every Monday at 6:30 p.m. The 35 members, dressed in colorful costumes, learn new tall dances and practice dance patterns at the meetings.

Members of the club are allowed two absences per semester. At a waltz party to be held at an on-campus building, club members will make a survey in order to inspect the folk dances performed and to mend those in need of repair. A supply of new costumes has been ordered, according to Danie Riley, chairman of the club.

Plans for a Swedish dance to be presented by the folk dancers in the physical education chapel program are under way.

SGN Circus Nets $100 Victory Bond

Eugenia Gamma Mu's fourth victory crown, held Saturday, October 12, netted $100, which will buy a $100 bond. The proceeds exceed any amount received from former Victory bond drives, according to Missie E. White, president of SGN.

The funds will be used to buy another victory bond to add to the collection of bonds started three years ago by the first presentation of the Eugenia Gamma Mu circus.

A crew of students, faculty members, and town people witnessed the ring show introduced and directed by Ringmaster Dell Reddy. Drums rolled and cymbals clashed, red and black panthers leaped into the ring, gathered the banner, and was finally carried onto a chair in the center of the ring.

Other high lights of the ring show were the comic game of baseball played by a group of clowns, the lively dance presented by two Irish lassies, and the spectacular pyramids played by a group of tumblers. Spectators crept the midway to pitch pennies, play rings, use the saltshakers, and eat the apples from the head of the dummy.

Louise Neal Added To Johnsonian Staff

Louise Neal, of Blufelden, has been named to the reserve staff of The Johnsonian, weekly student publication of the college, according to announcement made this week by Marcia Galloway, editor.

The editorial board of The Johnsonian elected Miss Neal after judging the tryouts submitted by supervisors interested in becoming members of the staff.

Pi Jeter Opens PE Lectures Monday Night

E. R. Jeter, president of the alumni association of the University of South Carolina, will be the first guest speaker of the new general lecture series recently added to all physical education classes.

The lecture will be held Monday, October 22, at 7:30 p.m. in the main building auditorium. Mr. Jeter's subject will be "How to Be a Good Spectator at a Football Game."

Every student enrolled in an activity course in physical education will be required to attend the lecture according to Miss Julia H. Port, head of the physical education department. During a week in which the lecture is scheduled, attendance is not required to meet regular class periods.

Tickets to be distributed in the programs include general division, balcony in sports, police, and general health forums. Faculty members and students are invited to attend all lectures to be presented throughout the year.

Winthrop campus covers 46 acres of land; 2 acres devoted to the 22-building campus, and 40 are in the College farm, one mile from the city proper.
