"Miss Winthrop" To Be Named March 23

Excess Appropriations Lowered By Winthrop's Increased Allotment

Sim Spakes of Equality For Women In Letter To SC General Assembly

The additional sum of $50,000 allotted to Winthrop college by the General Assembly makes a total of $149,000, and will also provide an additional $100,000 in the 1946-47 appropriation of the University of South Carolina and Clemson, making it $155,000 and $150,000, respectively.

Action was taken by the Legislature's appropriations committee for Winthrop and Clemson to amend the legislation by adding $50,000 to the 1946-47 appropriation, a total of $100,000 for Winthrop and $50,000 for Clemson.

Letter to Assembly

In a letter to the General Assembly for their consideration, Senator Harry F. Otis stated, "I am a beginning towards giving Winthrop equality with other colleges in the state as regards financial treatment with other colleges similar in education and endowment." He continued, "I have seen how Winthrop's ability to do the work in the past is so far the best evidence of her ability to do the work in the future, and also the fact that the University of South Carolina and Clemson have been generally elected vice-presidents. My feeling is that we can not and will not want our other great institutions to be run as cheaply as Winthrop has, but for the same amount of money necessary." (Continued on page 4)

Sec. Ed. Club Announces 21 New Members

Twenty students have been elected to the Student Association in the East Carolina club, according to Frances D. Stone, president.

Girls receiving invitations were: Mary Jean Allen, Kitty Bond, Hilda Brown, Anna L. Bryant, Ann Young, Frances Bond, Peggy Funderburk, Jean Good, Mary Good, and Mary Brown.

Boys' names were: Betty Massey, Bill Drakeford, Sara Maner, and Mary Ouzts.

WC Delegates Attend kappa Delta Pi Meet

Burl Sullivan, senior from Rock Hill, and Addie Crumpton, senior from Anderson, are the two delegates representing Kappa Delta Pi from Winthrop University.

Miss Sullivan attended the national meeting of Kappa Delta Pi in Milwaukee, Wis., March 13 through 15.

Assembly Program Features One Act Plays By Masquers

The one-act plays, "Our Dear Son," by Phil Strong; "The Butler Did It," by C. S. Lewis; and "The Krampus," by H. G. Wells, will be presented.

The one-act plays, "Our Dear Son," by Phil Strong; "The Butler Did It," by C. S. Lewis; and "The Krampus," by H. G. Wells, will be presented.

"Killing of the Peace," by Mr. Haskew appointed faculty contribution of $80.

Requirements for membership in the Alpha Delta Pi national are 2.5 "A" average as a sophomore, and 3.0 "A" average as a junior and senior.

Business Class Visits Local Plant

Elizabeth Porter's classes in Agriculture and Science visited the Charles Engineering Co. field trip to the Rock Hill Petroleum Plant on Monday, April 15, and Tuesday, March 12 and 14.

Forty students from the Agriculture classes, which meets Tuesday and Thursday, visited the plant on March 12. Thirty students from Section 10 visited the plant on March 14.

The Campus Town Hall

By STYLF DRAKEFORD

Friday, March 13, 1948

The Johannon wants to deserve a reputation of thoroughness, thoroughness, and thoroughness. Only you will do us a favor if you will tell us about these fundamentals of good newspaper work.

Casually

BY CLAIRE MARSHALL

Winthrop was allocated an additional $50,000 for the coming fiscal year, thus giving us a space for even better education in the building of the newly renovated college. A separate building was acquired for this purpose.

Hence it is the responsibility of the faculty to make the best use of the additional funds available. This is the period when the faculty makes its plans for the new academic year.

You know, there are very few places where the faculty can meet and discuss these plans. The faculty is urged to attend these meetings to discuss the future of Winthrop College.

Outside These Gates

By ANNE DOKE

The democratic young voters made a generous outpouring to the World. Student See Students News. They were not only aware of the serious issues, but they were also informed of the results of the election.

We note their cooperation as a model for other groups in the community.

The WSSF helps usability in pressure on the decisional action. The Young Democrats made their plans first, but voluntarily withdrew for the campaign. The student body would have greatly increased their participation if the WSSF were more active in the community, but the work of the WSSF seemed well directed.

The students' right to make the selection for the work which they would like to do. The selection of the college president is a serious matter. The students should be more involved in the selection process.

The model of the Young Democrats provides a valuable lesson for other groups in the community. The WSSF, through its leadership, has made a valuable contribution to the community.

Model: The Young Democrats

The Democratic Young Voters made a generous outpouring to the World. Student See Students News. They were not only aware of the serious issues, but they were also informed of the results of the election.

We note their cooperation as a model for other groups in the community.

The WSSF helps usability in pressure on the decisional action. The Young Democrats made their plans first, but voluntarily withdrew for the campaign. The student body would have greatly increased their participation if the WSSF were more active in the community, but the work of the WSSF seemed well directed.

The students' right to make the selection for the work which they would like to do. The selection of the college president is a serious matter. The students should be more involved in the selection process.

1946 Style Show

Following a precedent set last year by the WSSF, the campus is providing a setting for students in an assembly program next March. The censorship committee has already given its approval to this increased student effort. The students have agreed to do a mass mailing next week to get the student body interested in this show.

The students' right to make the selection for the clothes they want to wear is a serious issue. The students should be more involved in the selection process.

The model of the Young Democrats provides a valuable lesson for other groups in the community. The WSSF, through its leadership, has made a valuable contribution to the community.

Mid-Term Dilemma

Mid-terms are with us. They sneaked up quickly and silently and some of us were very much taken aback. We must remember that despite our constant efforts to keep our grades up, there is no way to escape the fact that we must take mid-terms. For many of us, this is a difficult time. We must be prepared to face the challenge.

The students' right to make the selection for the courses they want to take is a serious issue. The students should be more involved in the selection process.

The model of the Young Democrats provides a valuable lesson for other groups in the community. The WSSF, through its leadership, has made a valuable contribution to the community.

Campus in the Campus

The "Campus in the Campus" spring program is a success. The college extension service, through its "Campus in the Campus," is providing a valuable service to the community.

The students' right to make the selection for the courses they want to take is a serious issue. The students should be more involved in the selection process.

The model of the Young Democrats provides a valuable lesson for other groups in the community. The WSSF, through its leadership, has made a valuable contribution to the community.
new courses will be offered in courses included in the fields of astronomy, biology, chemistry, English, government, history, home economics, Spanish, art, and psychology.

Courses scheduled to be dropped are: Anthropology 10, 11, 20, 21, 22; History 23, 24; History 32, 33, 34, 35; History 41, 42, 43, 44; History 54; Library science 31, 32, and 33; and Physical Education 44. There has been a change in credits in History 21 from one credit to two.

One of the main changes in the psychology curriculum is the addition of a new course, "Psychology and the Law," which will be offered in the fall of 1945. The course is designed to provide students with an understanding of the legal implications of psychological research and to help them to develop critical thinking skills in this area.

The modern language requirement for B. S. majors is now two years of English and one year of a modern language. This change is intended to provide students with a stronger foundation in language skills and to prepare them for a wider range of career opportunities.

The requirement for science is now two years of science, with one course in a laboratory science. This requirement is intended to ensure that students have a solid foundation in scientific principles and to prepare them for continued study in science-related fields.

The requirement for junior year in high school is now four years of college preparatory work, including four years of mathematics. This requirement is intended to ensure that students have a strong foundation in mathematics and to prepare them for college-level work.

The requirement for senior year is now one year of college preparation, including one year of a modern language. This requirement is intended to ensure that students have a strong foundation in language skills and to prepare them for continued study in a foreign language.

The requirement for graduation is now 60 credits, with 30 credits in the major field and 30 credits in the minor field. This requirement is intended to ensure that students have a strong foundation in their major and minor fields and to prepare them for a range of career opportunities.

The requirement for the major field is now 24 credits, with 12 credits in the core courses and 12 credits in electives. This requirement is intended to ensure that students have a solid foundation in their major field and to allow them to explore a variety of topics within their major.

The requirement for the minor field is now 12 credits, with 6 credits in the core courses and 6 credits in electives. This requirement is intended to ensure that students have a solid foundation in their minor field and to allow them to explore a variety of topics within their minor.

The requirement for the senior project is now 3 credits, with 1 credit in the core course and 2 credits in electives. This requirement is intended to ensure that students have a solid foundation in their major field and to allow them to explore a variety of topics within their major.

The requirement for the senior seminar is now 2 credits, with 1 credit in the core course and 1 credit in electives. This requirement is intended to ensure that students have a solid foundation in their major field and to allow them to explore a variety of topics within their major.

The requirement for the senior thesis is now 4 credits, with 2 credits in the core course and 2 credits in electives. This requirement is intended to ensure that students have a solid foundation in their major field and to allow them to explore a variety of topics within their major.

The requirement for the senior research project is now 3 credits, with 1 credit in the core course and 2 credits in electives. This requirement is intended to ensure that students have a solid foundation in their major field and to allow them to explore a variety of topics within their major.

The requirement for the senior honors project is now 4 credits, with 2 credits in the core course and 2 credits in electives. This requirement is intended to ensure that students have a solid foundation in their major field and to allow them to explore a variety of topics within their major.

The requirement for the senior honors thesis is now 6 credits, with 3 credits in the core course and 3 credits in electives. This requirement is intended to ensure that students have a solid foundation in their major field and to allow them to explore a variety of topics within their major.

Spring Formal Scheduled March 23

Billy Knauff To Play In Dining Hall

Dance to Start at 8:15, Kilts, Balloons Featured In Spring Decorations

Winthrop girls and dates will swing out to the music of the Spring Formal, fourth Stu- dent Governmental dance of the year, Saturday, March 23, in the College dining hall.

Dancing will begin at 8:15 p.m. and will continue until 11:45 p.m. with a half-hour intermission, time to be announced in The Johnsonian, Dining Hall, Dinner Date committee chairman.

Kilts and Balloons

Decorations for the dance will feature a spring motif and the Dining hall is to be transformed into a gay atmosphere under a display of kilts and balloons.

Invitations are to be mailed in the post office at a later date; it is announced by French King, senior class representative and invitations committee chairman. Invitations will be priced in the near future.

Tentative plans include an intermission in the dining hall, under the direction of the six dormitory social chairmen, and Miss Walker.

Committee Needs

Invitations are needed by Saturday for the SGA spring dance which will be held in the College auditorium. A member of Kappa Delta Pi, and a college student, Trio House, sophomore, clean-up, and Harriet Martin were not present when the picture was taken. —Photo by Mary Jane Haynes.

Campus Fashion Favorites In 1946

Spring Issue Are Top News

Dave are usually small, with emphasis on tiny waltz dresses, full skirts, round and smooth cum- merbunds, and the suits are to be worn to the knee. Hosiery are the same, except for the socks, which are rayon cross, or batting favors. In panty hose, unshaded, all day to evening in stripes, cap sleeves, lace. These suits are popular.

Costs are heavy, three-quarter length, or Mexican by key-hole on the fitted, full-length coat. Fitted dress, many are parked at the waist with side belts, and many of the latest are pre- shaped, and shaped in the same manner.

Evening dresses, brilliant or beige, tall hat to the full skirts, newest fashion is the over-the- knee duster style now at its best. Hollywood pretzels to the latest fashions in panty hose than ever before.

The spring wedding, in the style of the 1946 fashion trend, brings according to the same dress, with amateurs or belts, peplum, strap, or midriff, to foundation for the simple dress, or belts, or mitts. Handkerchiefs are particularly small and are black or white. No extra expense is used for the latest. The latest is in line. The latest are to be worn in the latest fashions. The latest are to be worn in the latest formal dresses, and the latest are to be worn in the latest fashions. The latest are to be worn in the latest fashions.
