Change in Membership Policy
Although tickets only Finnsishers and those students who were not already members have been returned to the Y. W. C. A., there will be a considerable con- sideration for those women who are not able to attend the meetings. The decision of the board of directors, which has been taken in consultation with all members and their associates, is that the Y. W. C. A. is to be expanded and the membership will be extended to include all women who desire to join. This decision has been reached after careful consideration of the needs of the women and the interests of the Y. W. C. A.
