Autumn Ball Slated For Saturday Night

By WILDA PROCTOR

Winthrop Students Will Go To The Polls On Monday To Cast Ballot For ‘Agin’ Uniforms

By HILDA PROCTOR

November 11, polls will be opened in the post office for the purpose of voting on the uniforms question. Each student will be able to express her views by vote, and should take advantage of this opportunity to use her ballot wisely and for the benefit of all.

Various discussion groups have been called to discuss the merits of the “Agin” uniform, and the questions most emphasized are: 1. Are the uniforms too expensive? and 2. Are they too informal?

The ballot will be the only chance for freshmen to express their wishes before the final decision is made. The results of the voting will be announced the following Monday.

Winthrop Student Government Association will hold the elections for the uniforms question at 8:00 p.m. on Monday, November 11, in the Bluford hall. The results will be announced the following Monday.

Many of the students will be regulars at Winthrop dances, and it is expected that they will enjoy themselves.

The evening will end with the distribution of prizes for the best-dressed couple, the best-dressed man, and the best-dressed woman.

The Wrong Kind of Tradition

Halloween Night Last Thursday night renewed an old tradition which has been a part of the school's history for many years. The age-old feud between the freshmen and the seniors was renewed.

The seniors put on their best suits and dresses and took to the streets of Winthrop. They were accompanied by the freshmen, who took to the streets as well. It was a lively and colorful scene, which added to the excitement of the night.

The Freshmen's and Sophomore's Association has decided to hold another such ball sometime this month. It will be held at the Winthrop Coliseum and will feature dancing, refreshments, and chaperones.
