WINTHROP GIRLS AT STUDENTS’ MEETING

On the 20th of this month, the Student Senate decided to hold an International Dinner in honor of the various students who are taking part in the Panama Canal Expedition. This event will be held in the Dining Hall, and all students are invited to attend.

In conclusion, he said: "The Order's work is not finished, and we must continue to work for a wider intellectual atmosphere for all students."

How will your office look?

Not like this, of course

You will find in 2 a dozen jobs that 
can be done more quickly and efficiently

by a man who has only one or two

hands as is practically managed. In fact, electricity

has made us think of revolutionary new office

methods.
We Congratulate Dr. Johnson
