Proud To Be Here

As this Thanksgiving Season approaches, we should stop and think what Thanksgiving means. This is a time when the Winthrop community should reflect and appreciate the things we have to be thankful for during the previous year. We should give thanks for the family we have and the friends we have made.

Once again, as mid-semester exams are over, a few too great a number of students are growing weary of school life. Student sloth is the problem, and it is in our nature to avoid work. We know we have enough to do, and we are not in the mood to do any more.

For the election of officers, we have been working hard all year to keep it alive. The election of officers is something that we should be proud of, and we should strive to keep it alive.

Season of Praise

As the weather begins to cool, we can see the leaves changing color and hear the wind rustling through the trees. It is a time to reflect on the beauty of nature and the blessings that we have been given.

That Friendly Spirit

Friendliness is one of our finest virtues, and it is up to us to put it into practice. This Thanksgiving season, let us take the opportunity to do some acts of kindness and show our appreciation to those around us.

More Effort Needed

Once again, as midterm exams are over, we have a few too great a number of students growing weary of school life. We know we have enough to do, and we are not in the mood to do any more. We also know we have enough interest in class affairs to attend meetings.

The "ruts" were on full parade November 12 when they followed around wearing up-side-down shoes and "turned-around" ties.

The never-to-be forgotten day for the frosh began as they came to breakfast decked out in their gay paraphernalia. The class rendez-

aved at this time of the song, "I Want to Be a Friend of Yours." Almost any time during the remainder of the day, strains of this lovely song could be heard floating across the campus as some froshman squeezed away in the better-than-true throngs of the College.

NON-PATIENT RESIDENTS

Not a few of the "Old Reliable's" non-resident depositors use Personalized Checks on this bank. Sometimes or other patrons of this bank residing in other sections of South Carolina feel that their Personalized Checks accorded more readily for purchases, etc. than ordinary counter checks.

Personalized Checks are becoming more popular as the days go by. It you are not already making use of these checks with your name and address imprinted thereon, the matter is not one of the bank, ask about them, or write about them.

Speckling of non-resident customers, just a day or two ago this bank received a letter from a former Rock Hill man has taken up his residence in the State of Indiana. Her letter, in part, reads as follows:

"I am here but with you since I took up my residence in Rock Hill the fall of 1927, and I cannot express my appreciation of your business. In the year of 1928, your bank was the only bank that would accept my Personalized Checks.

Accounts of non-residents receive the same prompt, careful, and confidential attention as business transacted in person with the bank.

Freshmen Become Oriented To The Blue Slip Degree

By VIRGINIA PUGH

"Are you here yet?" someone says chuckling into the ear as a froshman entered the Dining Hall at noon, flitting in a coat and hat and putting on "The Camel Are Coming, Harold, Harold." The ring mas-

ters were Nancy Tillinghast, Jenn Hodges, Mary Faye Hamilton, and Jo Bailey.

Many of the rats made their way down town heaped upon wooden chairs. The hosts of was many. One bewhiskered frishty.

"What if he takes me up on my proposal?"

At the end of the day a rat formed her remark as the chiseled beauty with a certain sense of "Three Blind Mice," "Oh My Ach-

ing limbs."

WINSTON'S COMPLEMENTS OF THE BLUE SLIP

The Junior Red Cross of the Winthrop Training school has recently completed the drive for mem-

bership. It was announced re-

ently by Miss Elizabeth Shrews, of the Training school. Plans have also been made for the membership to fill 100 average houses.

WINSTON'S PLAYS LAST GAME

The Junior Red Cross of the Winthrop Training school school "Windsors" played their last game of the season Friday night against Bethune high school.

ORCHIDS TO YA: Not enough praise can be bestowed upon the members of the freshman class who turned out with such much soul to cheer for the Bulldogs at the Pep Meet last Thursday night. Those who "cheered" most at the last minute do go to prove that we do have a freshman class that fits together. More power to "These" and Myra for such a fine job cheering up. Keep it up, Everybody! 

YOUR PEP, YOR PEP: Day Hardie's 7 seems to have our fair share all alone at the Pep Meet last Thursday night. Under the guiding hand of cheerleaders Lucy Boykin and Carolyn Lee, they used that junior class pep and swept all opposition. Congratulations, juniors! It seems that the sophomore class showed that they still have the "spirit of '49" by taking first place honors. That's quite a repeat. The seniors under Kenneth McDonald could not help, either.

**From Play Day**

This past week end Winthrop opened her doors to representatives from colleges all over South Carolina. Sports Day is not only an amusemen but also a give girls from other colleges an opportunity to have some fun.

One hilarious incident occurred in the swimming meet. In the last game of the meet, the long distances. When the team took the pool, the timekeeper of the game was too near the last in line. One of Conway's participants became silly enough to be forayed by the timekeeper, got so confused that she jumped in the pool way ahead of everybody else. The hockey players had quite a terrible time staying on their feet during the game because of the slip. All of the hockey games were close and either one could have won. All in all, Sport Day was quite an event! Not only out the different players enjoy it, but also the public got quite a thrill out of the whole affair going on all over the campus.

**Work or Play?**

"Rocky Are Flying" that PE 36 under Miss Mitchell happens to be one of the funniest films. Know why? They're playing children's games and are getting a chance to act their age, especially Tina.

Play Day Results Are Tabulated

Intercollegiate Play Day represented by eight South Carolina colleges took place at Winthrop, November 16.

Coker, Limestone, and Winthrop competed in the archery contest. Lucy Williams, Winthrop, was made captain of the team during the games, because of the wet grass. All of the hockey games had to get out and try it again. The Winthrop girls winning their first game, as was also the case made won.

Converse, Echols, Coker, Limestone, and Winthrop participated in the swimming meet. Many girls were strikes and diving were used. Winners of the different strokes were: 50 yd. free style, Converse, Winthrop, Coker; 100 yd. back, Winthrop, Echols, Converse, 40 yd. breast, Winthrop, Converse, Coker; 50 yd. individual medley, Winthrop, Coker, Converse. These girls were used to compete in speed. The following scores were listed for team scores. Converse, Winthrop, Coker; breast stroke, Converse, Winthrop, Coker; back stroke, Converse, Limestone, Converse, Converse, Winthrop, Converse, Coker. The dives demonstrated were: running, Converse, Limestone, Converse; Echols, breast dive, Converse, Coker. Two optional dives were performed by girls for whom each coach showed their skill and ability. This year was to be a favor from many sports fans. Among the winners: Doubled—Brittain-Brittain, University of South Carolina; Brown—Lazaro, Winthrop; Mitchell—McKinney, University of South Carolina; Coker—Smith, Converse; Echols—Echols, Converse; Echols—Brown, Converse; Echols—Jones, Converse.

The second hockey game was played November 16, with the two teams tying 3-3. The third game was scheduled to be played November 21, but when the Johnsonian went to press the results were not known.

Sophomores-Seniors Lead Hockey Clash

The results of the hockey tournament played November 15 were: Sophomores-Seniors (1): Freshmen 5; Sophomores-Seniors (2): Freshmen 1. The fresher game was Marist Lines and Lake Hamblin; the times were Florida Ford and Lee Lewis.

The second hockey game was played November 16, with the two teams tying 3-3. The third game was scheduled to be played November 21, but when the Johnsonian went to press the results were not known.

BY BETTY BAKER

Yes, on November 14, 1946, was one big event for Winthrop Win.

The Intercollegiate Pep Meet was here. The "Little Bulldogs" were given first choice. Cheerleaders Myra Amsdorfer and June Park were out in full swing, helping the class of 1949 in quite a quantity.

In order to graduate, the freshmen had to start working and ready to get Most ready to go with that Bulldog spirit. When the freshmen finished their pep assembly, the "mighty appetites," or "yelp" call themselves, stood up and swung out with these rhythm rolls. The cheerleaders, Sarah Hemingway and Mary Jane Hession, know what is meant by unity. The class of 49, who came out in big last year, showed that, although it was a year later, the Bumph and Bumphs would still do their stuff.

The best and fanciest flowers of all in the Pep Meet turned out to be the juniors. Jackie Petersen, took her "rat" song. Tina Waters, using an old-world-world word, representing the appetites, and Sun Hunter showing what a senior could do, made a delightful trio. Now the seniors and Mary Boykin, proved that they could still do it. The seniors with all their dignity and poise were able to pull off the victory and win the title. The seniors looked quite an impression as rows of their bee, and poise were there in full color.

First and foremost in the minds and hearts of all of the campus's men and women Winthrop was, as usual, football. Many migrated towards Clemson for the homecoming, while others jour- neyed over the Carolina way for the Duke-Carolina war. Still others wished to visit the Blue Mirror.

...Of Things

HOMECOMING FUM

The largest and most anticipated affair on our campus and oth- ers was Clemson's homecoming week end. Getting things off to a fine start was the annual Alumni Ball Friday night. All suited up for the occasion were Virtue Burns, Judy Mogen, Billy Spalding, Darlie Austin, Carol Glee, Cathy Neal, Ann Rainsford, and Harry Key Wood.

Among those who arrived at Clemson for the Clemson-Furman game and the informal dance were Dorothy Tingley, Miss Catherine Keeler, and Miss Mary Schuchard, at an informal dinner in her apart- ment last Wednesday evening. Mrs. Ralph Buskey, former student in the biology department, is now in association with the chemistry faculty, was also in attendance.

TINGLEY CROCHETS

Dotted over the campus were manyWinthropians who have been hard at work preparing for the church bazaar. Miss Anne M. Loux from Alsace-College has been hard at work preparing for the church bazaar. Miss Margaret Hess, head of the biology department, entertain- ed the members of the biology faculty, Miss Isabel Potter, Miss Alice Tingley, Miss Catherine Keeler, and Miss Mary Schuchard, at an informal dinner in her apart- ment last Wednesday evening.
