SGA Stages Midwinter's Tomorrow Night

Eugene List Presents Concert Tonight

Chopin, Liszt, Debussy, Mendelssohn Selections Included On Program

The appearance of Eugene List, well-known pianist recently featured in the SGA's Midwinter's Day concert, is one of the highlights of the Music department's present year. The concert will be given in the rapidly expanding Music conservatory auditorium late Sunday afternoon at 4 o'clock. Miss Sigrid Lilliblum, Danish home economist, will be the soloist.

Red Cross Drive Slated

The annual Red Cross Drive of Winthrop college is scheduled for this week according to Margaret Sears, chair, of the drive.

Billy Knauff To Play New Regulations Set High Standards For Dance

Danish Visitor Studies "Hobby Of Housekeeping"

The weather is unusually delightful to visit韶 elegant housekeeping school organized by Miss Sigrid Lilliblum, Danish home economist, who is here at Winthrop visiting the home economics and State Home Demonstration department. If you think you're enjoying the beautiful sunshine of these late spring days, you should have been in late spring days. You should have been here to study the quick and simple housekeeping methods of the American housewife to combat housekeeping into a hobby. It particularly wanted to learn the housewife to keep her house clean, to cook the easy electric mixer, the washing of clothes by the new washing machine, and the other electrical conveniences that are needed greatly in Winthrop today. When the return trip is over, it's planned that Miss Lilliblum will be free to write about her new information about the work and how they apply in their work.

There is at present no rationing of sugar, coffee, tea, or any other item, but almost everything besides dairy products. There is a small list of citrus fruits, and almost every kind of vegetable that can be grown is available. The market is now under consideration.

Subjects of discussion at recent council and faculty meetings will be rendered by Nancy Wilson and Frances Gamble. Amy Rogers will play the "Dans le Hamac" by MacDowell and the "Chorale Prelude: I Call to Thee," both by Mendelssohn; "Song Without Words, E Flat Minor" by Schubert.

This young American keyboard virtuoso was honorably discharged from the army. After which service on the special Service in San Francisco, 1917-1919, in which he served he added a colorful footnote to his achievements by winning the national first prize at the State international piano competition, the International House of Music, in 1921. Students In Music Recital

A program of American compositions will be given by undergraduate and graduate students in the Music conservatory, according to the wishes of the music department.

Members of the junior class in the Music conservatory will play by "Bravissimo" by Moderna and "By the River" by Sergeant. "By the River" will be rendered by Sylvia Curry, "Bravissimo" by Mary Smith.

Choirs Add New Members

Now members for Choir I and Choir II have been announced in the music department. Those who have been admitted to Choir I are Delta Arnold, Mary M. Orme, Jean Crippen, and Elizabeth Bean. Those who have been admitted to Choir II are Miss M. Martin, Mmes. M. Martin, L. M. Martin and F. Martin. Miss Mary Russell and Miss Marjorie Bowden have been accepted as members of Choir I and Choir II.

"By Days Have Been So Wondrous Fair" was the theme of "The Crumbling of Water" by Campbell and "The Crystal City" by James H. Moore. The Crumbling of Water" by Campbell and "The Crystal City" by James H. Moore.

North Dormitory Wins Honors in Basketball Tilt

Seniors Run For Second

North basketball team clinched the dormitory championship when they defeated the boys from the Town girls-room 4-0 Friday noon. A perfect season by the seniors put to rest the boasting of the townies, who had decided to move the bed and bookshelves over to the room to make it a "dormitory" at last.

A POST FOR THE STRAND

There's pride in our own as we specialize in those drill team secretaries of the Strand ladies, who make the old tradition of women's dormitories proud of its ladies. The team officials declared, "We have the measure of our opponents, and we've come to the Strand where we can show our real stuff." The team officials also announced that they would be back next year to defend their championship, and that they would be ready to meet any challenge that may come their way.

FROM PARIS AND MACY'S BASEMENT

Miss Dorothy Sefton challenged quite a number in the senior class of the Strand ladies. A ticket was sold recently for the Paris and Macy's basement, which was held in a converted store of sports clothes. The proceeds were used to purchase new uniforms for the basketball team. Miss Sefton stated that the senior class had decided to support the team in this way, and that they were proud of their girls' efforts.

RECREATION ROUNDUP

MILDRED COLUMBUS

DO DORM IN A BASEMENT!

Back again after a week of chill that the Strand women athletes and cheer leaders have been practicing in the Strand ladies' dormitory, the team officials declared that they were ready for any challenge that may come their way. The team officials also announced that they would be back next year to defend their championship, and that they would be ready to meet any challenge that may come their way.

The Growth and Development class was a free-for-all when Lois Sefton had a strange experience. She was a member of the class, and she was taught that she had a "one-way" ticket at the Strand lady's dormitory, and that the whole class was a part of an elaborate, casual walk. The Colorado Walk, and70,000 other students played a new air.

APRIL BEOURG.

And this made us of the letter we read about the content of the "intact females" while Mr. J. K. B. B. was addressed to the head of the physical education department.

March 21, 1947

My Dear Miss Sefton:

WHODUNNIT?

We didn't have to be crystal gazers to see the Faculty revealed at the Winthrop cheerleaders. Girls in Winthrop—issued mermaid suits gingerly wiggled their pearly row. Mrs. Mary Breckinridge, law professor, was spotted in the gym. Everything happens there.

Many Calls Received

For Camp Placement

More calls than applications are coming in by the Camp Placement bureau for summer camps, according to an announcement by Miss Viola Mitchell, director of the Winthrop Placement bureau. There are especially many requests for seniors and juniors in the field of camp work. Students are reminded that they should have their health certificates on hand.

POP We have a student in the gym in the gymnasium every afternoon from 4 until 6 o'clock, and may be seen between the gym building and the dormitory.

BULLETIN

The drive for bicycles in the Winthrop Gardens is progressing nicely but there are still people who wish to turn in Blue Horse wrappers, according to "Kat" McDonald, chairman of the Winthrop bicycle drive. The student body is asked to place all wrappers in the dormitory in time for the downtown bicycle drive.
