Guest Editorial by Betty Strohling
1946-47 President of the WAA

Once again the Wampus Athleti-

the guidance of the most hard- 
working and devoted of the student 
potents of the leaders you have 
chosen.

As we look back over our 
work this past year we see repl

we know it—New delinquencies—

meet—on the courts, the ath

Senator’s Legislative Work Reviewed

Guest Editorial by Peggy A. Funderburk
1946-47 Senator of the WAC

The Senate of Winthrop College to the group that represents the students and always has their interest at heart.

The Senate has been the goal of the 1946-47 Senate.

We have made a study of the Hand 
books and other material in 
presentation of legislation passed during this 
school year.

1. Article II, § 1, subsection 10 
under regulations requires the 
addition of a section that 
the Senate is to be held in 
such a manner so as to 
do away with any confusion 
with the time a date could begin.

5. Article I, § 4, under regulations was 
abridged to state that the Senate 
officials do not have to 
be resident students, but any 
student in the student body.
