New Quality Point System Adopted

Standard of Scholarship Required for Graduates Revisited

Considered an Improvement

Dean Kimmel called a meeting of the Athletic Association to consider the new quality point system which has been in effect for the previous year. In order to maintain the present system, the number of term hours necessary for graduation must be increased, and the number of term hours necessary for graduation under the new system. A student must have an average grade of C or better in order to graduate.

The faculty members endorsed the new system of quality points which have been in effect for the previous year. The faculty believes that this system will improve the furnishing of the different colleges of the university.
