## Untitled | Anthropos Apteros

a  
freckled canvas  
stretched over frail bone frame  
(not frail. thin yes but  
electric) lies  
in bed  
in winter thinking  
of  
some untouchable i'm sure.  
abstracts stitched  
and quilted and  
layered. unknowing  
clouds unsleeping  
keep her.  
and  
time is stuck  
its wings pinned  
down. the yawning arc  
—that was the moon—  
fixed forever/for now  
waits to rise or fall  
whichever.
