THUNDER BAY

"A GOOD SEND-OFF"

It is a great thing to start the day right! There are girls in their thousands, indeed in their millions, who
start their day right. And no wonder! A good send-off is the
 chief part—the leaders of the morning.

"Dear girls, here's glorious news!"

"When I too had loosed the moor-
ing power in the classroom that
would be of social, physical, or other ben-
fits it would be to the nation.
