Of Winthrop's Most Gifted Students

The following girls have been elected officers of the Athletic Association: class representatives, Sophie M. Streeter, Catherine Morgan, treasurer, and Marjorie Notley, vice-president.

We feel that the Athletic Association has been the forum in which these girls have been able to show their ability in a true sense. A larger number have been enrolled in the school than ever before. The enthusiasm of the girls is thoroughly evidenced by their outstanding records. Miss Gustavson has been a member of the hockey team, the basketball team, the track meet, and the music team. Miss Morgan made the hockey team and was a member of the basketball team twice. Miss Limehouse played on the basketball team for the past three years, and was a member of the tennis team for two years. Miss Ford played on the hockey team. She was a member of the hockey team and the basketball team, and was a member of the track meet. Miss Johnson was a member of the basketball team. Miss Wightman was a member of the tennis team for two years, and was a member of the basketball team. She was a member of the hockey team. Miss Young was a member of the basketball team, and was a member of the track meet. Miss Wallace was a member of the hockey team, and was a member of the basketball team. She was a member of the track meet. Miss Paddack was a member of the hockey team, and was a member of the basketball team. Miss Allen was a member of the basketball team, and was a member of the track meet. She was a member of the hockey team.

The Winthrop Journal has paid a beautiful tribute to the memory of Judge Joseph Johnson, who served on the Board of Directors, and is the mother of the late Dr. Winthrop Johnson, and is a well-known local writer. She was a leader in the community, and her influence will be missed. She was a heart and soul of the community, and her loss will be deeply felt.
