"A BUILDING OF THE HEART"

As we contemplate the plans of the Alumni Association for the Winthrop Memorial Auditorium, we think of the mementoes which are the treasures of our alma mater. A perpetual reminder of the past, a symbol of the future, these mementoes stand as a beacon to the students of the past and a promise to the students of the future.

The Alumni Association has planned a banquet to honor the graduates of our senior class. This event will take place on May 13th. The theme of the banquet is "Building of the Heart". The banquet will feature a selection of food and drinks, as well as speeches and presentations by members of the Alumni Association.

The banquet will be held in the Winthrop Memorial Auditorium, which is currently under construction. The auditorium will feature state-of-the-art lighting and sound systems, as well as a large screen for presentations.

The Alumni Association is also planning a series of events leading up to the banquet, including a social hour and a silent auction.

We encourage all alumni to attend the banquet and to support the Alumni Association in their efforts to build a better future for Winthrop University.

The Johnsonian

May 10, 1943

We hope to show by this what we most wish that you attain in life.

We are told by the Johnsonian emblem of success by noble deeds of the white and golden robe—symbolic of your fulled gain! Its shining whiteness gleams of truth, Its gold shall stand the crucible of fire.

We are proud to announce the appearance of Piggly Wiggly's, a new store in town. We are confident that they will do a fine job.

We are happy to report that the senior class has decided to hold a final dance on the campus. We are excited to see what they have planned.

We are grateful to the Johnsonian for their continued support and to all our readers for their patronage.

We wish you all the best in your future endeavors.
