The meeting got off with a bang as the minister. When he had finished, I. L. H., the prayer was far better than any other part of the program. It would never do to tell you the truth. It is a great part of the story. Whatever it was, however, it is a great part of the story. Whatever it was, however, it is a great part of the story. A SUGGESTION

The merchants of Rock Hill at an early date will have a complete line of Christmas goods on display. Relatives and friends of Winthrop girls residing in localities smaller than Rock Hill and not having the shopping facilities to be found in this city may find it to their advantage to do their Christmas shopping in Rock Hill through Winthrop daughters.

We throw this out as a suggestion to Winthrop girls, as it may save the folks "back home" not only money but the expense required in visiting shopping centers.

Rock Hill is fast becoming a shopping center and those who have relatives or friends at Winthrop may find it worth while to take advantage of this city's shopping facilities. Cut out the trouble and expense by ordering your Christmas gifts through us.
