WINTHROP HOLIDAYS BEGIN DECEMBER 19

President Johnson Makes Announcement of Christmas Events

GREAT JOY PREVAILS 10:30

Winnipeg, many other cities, and in any expression of joy! So it was with these two envelopes which were delivered to the home of Mr. and Mrs. Johnson, making the announcement of the Winthrop Christmas festivities. The envelopes contained a variety of cards, all of which testified to the festive spirit that prevails on the campus during the holiday season.

In the past, the Winthrop holidays have been characterized by a variety of events, including concerts, plays, and social gatherings. These events are designed to bring the Winthrop community together and to foster a sense of community and spirit. This year, the Winthrop holidays are no exception, and the college community is eagerly anticipa

WINTHROP CHAPLAIN OF U. S. NAVY

J. H. L. J. is minister to Winthrop Chaplain of U. S. Navy.

It is a well-known fact that the Chaplain of the United States Navy has a difficult and important task. He must be able to provide spiritual guidance and support to military personnel, often in times of crisis and stress. In this role, he must be able to provide solace and comfort to those who are away from home and away from loved ones.

The Chaplain of the United States Navy is a member of the U.S. Navy and is responsible for providing religious guidance and support to military personnel. He must be able to provide comfort and support to those who are away from home and away from loved ones.

TO THE BLUE AND GOLD!

Monday morning, the Blue and Gold, the class of '07, opened its calendar year. Washington and Lee can surely take pride in a class of '07, a class that fought its way to glorious victory only to let history reprove it. The Blue and Gold has always had worthy opponents to make the victory not a cinch, but a fight to be fought, and therefore sweeter in the end. Everyone likes a good fight, so no doubt the Blue and Gold will be a football team. It is the team that has the best of the class that puts up the best fight, and I hope that this team that the world takes pleasure in watching humiliating its opponents.

The Blue and Gold is the team. When things don't look so bright, things will look so bright again and perservingly until in the end they come out on top. When things are going their own way, they do not creep and appear with their heads down but show that they are good sports and that they give the best of themselves, and you know the spirit of the game, and the spirit of the Blue and Gold.

Seniors! We acknowledge you the hockey champs of '07!

HURRAY FOR CHRISTMAS!

There are so many things complained about the campus which have been said, the worst games are over, exams are over, and Thanksgiving is a day to remember. But the next upcoming event is the one that everyone except the men of the class is looking forward to, whether you like it or not, it is the one that every man is looking forward to, and that is CHRISTMAS. Every day brings Christmas nearer. It is only eighteen weeks, eighteen days, and then the firewood!

Some folks were disappointed in the holiday announcement. But the catalogue allows only ten days for Christmas, which happened even though they do not believe in Christmas. And then why? Christmas is coming, hark, hark, hurrah!

THE HISTORY OF THE HONOR SYSTEM

For advantage, importance, and educational standing, have been the lifeline of the Honor System to the world. Carolina College claims to have been the first in the country to have an Honor System. A Carolina College student or alumnus of Carolina College has become the recipient of various Honor System awards because of the Honors he has achieved in his study and his personal life. It is the product of the work of the Carolina College Honor Committee. The committee is composed of five members, including the student body president and the student council president. The committee functions to maintain the standards of the Honor System, which are based on academic excellence, personal integrity, and good character.

The Honor System is based on the belief that a student's academic success is directly proportional to their adherence to the honor code. The honor code is enforced through the Honor Committee, which meets weekly to discuss and resolve any honor code violations.

The Carolina College Honor System is designed to maintain a high standard of academic integrity and personal morality among its students. The system is based on the principles of free enterprise, individual responsibility, and collective action. The Carolina College Honor System is the only honor system in the world that is fully supported by the community and the administration.

THE JOHNSONIAN

DOG HAS CHARGE ACCOUNT AT RETURERUS

When Credit Co. at Smithfield, Va.

"Brock, the Johnsonian dog, has a charge account at Returerm Co. We have six dogs, but only five of them have charge accounts. We are going to charge the Johnsonian dog with the sixth charge account." - Mr. Smithfield, Co.

WHEN CREDIT FALLS

Adopt Diplomacy

"When credit falls, adopt diplomacy, instead of war. Every country has a war department, but every country needs an honor department. An honor department would be more effective in stopping wars than a war department. An honor department would also be more economical than a war department. An honor department would not cost as much as a war department." - Mr. Johnsonian

THE JOHNSONIAN WIND

TRIP TO FOREIGN LANDS

"We are going to take a trip to foreign lands. We are going to visit the land of the Pyramids, the land of the Mayans, and the land of the Incas. We are going to see the wonders of the world and to learn about the cultures of different peoples. We are going to take a trip to foreign lands because we want to learn about the world and to appreciate the diversity of cultures. We are going to take a trip to foreign lands because we want to broaden our horizons and to gain a greater understanding of the world." - Mr. Johnsonian

THE JOHNSTONIAN

When Credit Co. at Smithfield, Va.

"Brock, the Johnsonian dog, has a charge account at Returerm Co. We have six dogs, but only five of them have charge accounts. We are going to charge the Johnsonian dog with the sixth charge account." - Mr. Smithfield, Co.

"The LOOKER ON" "Addendum to the Call for the 1923" Edition of the "LOOKER ON"

WINTHROP UNIVERSITY

"The papers and the music were great, the food was delicious, and the company was lovely."

From the campus newspaper, The "LOOKER ON".
The World Moves On and Up

Abby Ad

For the many who have dreamed that in their lifetime they would be able to fly over the continent and see the sights of the world, the opportunity has finally come. The Standard Oil Company of Indiana, in its annual report, points out that 75 years ago, when a man dreamed of flying, his dreams were held back by the lack of materials and engine power. Today, the dream of flying has become a reality, and the Standard Oil Company has played a significant role in making it possible.

The New Message

President Wilson has sent his annual message to Congress on Tuesday afternoon. In his message, he outlined the need for an active, determined and resolute action to maintain the status quo. He emphasized that Congress must be on guard against any attempt to undermine the government. He also discussed the importance of the government in preserving the nation's political stability.
