CONFERENCE TO BE HELD

The World Fellowship Committee of the Y. W. C. A. has planned the largest and most interesting conference to be held in the campus this spring.

The purpose of this conference is to give students a broader view of the world at large, and to look out the door, as it were, to see what is going on in other lands.

The committee has worked hard and has been very successful in securing speakers. J. A. Johnson, former professor of political economy at Columbia University; Miss Ketchum, a social worker; Dr. Johnson, a prominent tycoon; Miss Lemon, a noted political scientist; and Miss Kellogg, a prominent medical authority, are but a few of the men who will come to the School for the purpose of making speeches.

Johnson Hall. Other colleges have expressed an interest in the conference, and several platform speeches are to be held.

From all reports, we would judge that this conference will be one of the greatest ever held in the world of dreams.

AWAY WITH STEALING!
Some salient truths were spoken by a eminent student last night at the Student Government Association meeting, which met at 7:30 o'clock tonight in the auditorium. The speaker pointed out that they were not a race apart but that they held the same heritage. The students who have been accused of stealing are no different from those who have not. The reason for this is that they have not, in fact, committed the act.

One of the most deplorable things we have to face at Winthrop is that the campus is being invaded by thieves. This invasion is a stain on our dignity and our honor. We must attack this condition and clean up the campus.

The wisest policy, that newspaper accounts of the stealing is absolutely contrary to typist who was holding it in - the consensus of the American League Bulletin has printed

YOUNG AUTHORS
Some significant success must attend to the present absolute attitude of the campus concerning the question of the right to refuse to borrow. The typist, in fearlessly taking his stand, has refused to take such a position. He does not, however, take any credit for his action. He states that his policy is to refuse to borrow.

Not bit so small change are to those who hold it inviolate.

THE FIGHTING GIRL
Miss R. B. D. presents a challenge to the students of the United States, our enemies, who have a new idea in their line, but are innately dishonest. They are not one with those who hold it inviolate. The Fighting Girl is a new idea in their line, but are innately dishonest. They are not one with those who hold it inviolate.

There is an old saying, "One man's meat is another man's poison."

The Fighting Girl is a new idea in their line, but are innately dishonest. They are not one with those who hold it inviolate.

The Fighting Girl is a new idea in their line, but are innately dishonest. They are not one with those who hold it inviolate.

Mr. and Mrs. Johnson and the other members of the Johnson family have been the subject of much discussion on the campus.
