Magic Carpet Ride Introducing Miss India for a few days in W. R. Woods Way to England

"Have any of you ever been to a real Indian show?" Miss India asked her new friends.

"Just a few days ago, July 3, I left for two months in India to see the real thing. I've always been interested in India, but only go to movies to see it that way." I think it would be interesting to travel there, don't you?"

They all nodded yes, and Miss India continued. "We started just two days ago; we're on our way to Calcutta, a girls' hostel there for foreign girls. We were met there by Miss Lynden, a hostess, who became our guide in Calcutta. We spent the first two days there."
