CAPABLE EDUCATORS SELECTED

There is an ever-changing value of change which has proven to be the only purposeful, vital activity. The change may be small or great but it is the one constant in the life of the campus. New educational minds must be created and trained to understand the thought of the change.

Mr. Bunyan Yalta Tyner of North Carolina State University, who has been on the staff of the Department of Agriculture, has been appointed Dean of the Division of Agriculture. Mr. Tyner has been at Presbyterian College for many years, and will be a great addition to our faculty. He will be a valuable asset to the college and will be a valuable addition to our educational program.
